

St. Xavier's College, Mumbai, Inclusive Education Accommodation Form - Junior College 2026-27

St. Xavier's College is committed to Inclusive Education for all students on campus. To ensure smooth and effective delivery of services, it is mandatory for all Students with Disabilities at Degree College to fill out the Inclusive Education Accommodation Form. Deadline to submit the form as per notices to be followed strictly. Delays will not be permitted.

The accommodation forms are filled out for the entire academic year at the beginning of the year (for both semesters). However, at the beginning of the second semester students must get the new subjects entered in the letter to facilitate ease in availing services. In exceptional cases where an unaccounted need arises in the middle of the year, the student is to reach out to the Coordinator for Students with Disabilities to make changes. Please note that middle-of-the-semester modifications will only be permitted if truly required.

In using these procedures and forms, it is essential to remember that the college and the student need to work together so that the quality of accommodations meets disability-related needs of the student. This is a joint responsibility between each student and the College. Students must ensure that the process is completed on time and in case of any queries about filling out the form, contact the Coordinator for Students with Disabilities immediately. Any delays in not meeting the deadline for submission will be taken as the student not needing any accommodation. It should be remembered that if the student has not filled out the accommodation intake form, the College is not mandated to provide any accommodation services. Please also note that the College strives to provide these services to the best extent possible. Hence there might be times when, because of various difficulties, all the services may not be possible. In case of non-availability of any approved accommodation, it is the student's responsibility to immediately bring the same to the notice of the Coordinator for Students with Disabilities.

The academic and examination provisions are available for students with disabilities as per the [Government of Maharashtra GR dated 16 October 2018](#).

Further, it is noted that all disciplinary and other rules of the college apply to all students, including students with disabilities. Student may select from below the accommodations that are required for them during the academic year.

* Indicates required question

Basic Information

1. **Name ***

2. Year of study and division *

3. Roll No.

4. Email ID *

5. Contact No. *

6. WhatsApp Contact No. *

Mark only one oval.

Same as above

Other:

7. Subjects *

8. Upload Disability Certificate/UDID card *

Files submitted:

9. Disability Type *

Check all that apply.

- Locomotor including Orthopedic Disability

In-Classroom and Out of Classroom Support

***Note:** The volunteer (in classroom and out of classroom) services may be facilitated along with the Student Inclusion Cell (SIC)—the student body on campus that works towards campus inclusion and accessibility. If a student opts for these services, the coordinator for students with disabilities will share basic details and volunteer requirement of this student with the SIC. If students opt for these services, they consent to this information being shared with SIC. If a student has any concerns, please share them with Coordinator for Students with Disabilities - Ms. Shalini Dubey at swdc@xaviers.edu.

In-classroom

24. Select in-classroom support options from below
