

The Research Policy for the College.

St. Xavier's College is affiliated to the Mumbai University and hence adheres to all the ordinances and regulations formulated by the University of Mumbai (No. Exam. Thesis/Univ./VCD/947 of 2018).

St. Xavier's College Encourages Research by:

- Providing infrastructure through the various research centres in the campus namely, Blatter Herbarium, Caius Research Laboratory, Heras Institute, NSR laboratory.
- The college also has Mumbai University recognized research centres to conduct research in the various disciplines namely, Ancient Indian Culture, Botany, Chemistry, Geology, Life Science and Zoology.
- The college encourages faculty to apply for recognition of research guides both for MSc by research and Ph.D.
- The faculty pursuing research leading to a doctoral degree are encouraged to avail of the Faculty Improvement Program offered by the UGC.
- The college through the research committee encourages faculty to apply for Major and Minor research grants provided by the Government organizations - Mumbai University Teachers grant, UGC, DBT, BIRAC, etc.
- The BOS of every department encourages research culture among students by incorporating research component in the syllabi of every subject. Research programs are also offered under the aegis of Honours program.
- The college showcases the research carried out by the student and the faculty through its registered peer review, UGC CARE recognized journal, Xplore with separate editions for Sciences and Humanities.
- The college strictly prohibits plagiarism at all levels and facilitates the monitoring and mitigation of malpractices through online tools.
