2. COLLEGE PROFILE

2.1. COLLEGE HISTORY

ST. XAVIER'S COLLEGE was founded in 1869 by the Society of Jesus, a Christian Religious Organization started by St. Ignatius of Loyola. Since its very inception, the Society has significantly contributed to the field of education throughout the world, inspired by a vision of the human, drawn from the life, teachings and personality of Jesus Christ. In India, it was St. Francis Xavier, after whom the College is named, who began the educational work of the Society of Jesus. At present, in India, the Society runs 36 Pre-Primary/Primary/Middle Schools, 130 High Schools, 20 Technical Institutes and 33 Colleges. All these institutions form a part of the effort of the Catholic Church to share in the vital task of education.

St. Xavier's College is a Christian institution, started with the purpose of educating the Christian community in India. It extends its services to members of other communities as an effort at building a truly inter-religious and inter-cultural human community in the country. On January 30, 1869, it was affiliated to the University of Mumbai. It became a Constituent College of the University, as a result of the Mumbai University Act 1953. It is entrusted by the University with the task of preparing students for degrees in Arts, Science, Commerce, Mass Media, Management Studies and Information Technology.

St. Xavier's College looks upon itself as an academic community where scholars, both students and teachers, have the freedom and responsibility to communicate, evaluate and enlarge humankind's store of knowledge. The College stands for academic excellence and endeavors to create an environment, which generates a love of learning, a habit of critical thinking and the ability for accurate expression. It strives after character formation based on the love of God and the service of humanity, with a view to training citizens, who will be remarkable for all-round development and a sincere commitment to God and Country.

St. Xavier's College, thus, endeavors to contribute to the necessary transformation of the prevailing social conditions. This transformation, envisages that the principles of social justice, equality of opportunity, genuine freedom and respect for religious and moral values enshrined in the Constitution of India, shall be upheld, and that all men and women shall live in keeping with their human dignity and self-respect. The environment and inclusive education are of special concern to St. Xavier's College. Hence, the College strives towards making a committed and significant contribution towards these issues.

The Society of Jesus exercises its responsibility over St. Xavier's College through a Governing Body, whose Chairman is the Provincial of the Mumbai Province of the Society, Vice-Chairman is the Rector of the College and the Secretary is the Governing Body's Chief Executive. St. Xavier's College – Autonomous, affiliated to the University of Mumbai, conducts the B.A., B.Sc., and B.Com. Government Aided Degree Courses on campus along with the B.A.-M.C.J., B.M.S. and B.Sc. I.T. Degree Courses on a Self-Financing Basis. Masters Courses (Aided) in Botany, Geology, Life Sciences, Microbiology and Ancient Indian History, Culture and Archaeology, M.Sc. (Self-Financing)

the concerned person to either G.T. Hospital or Bombay Hospital. A stretcher and wheelchair are available with the Gate-Security. Bombay Hospital and Ziqitza Healthcare Limited (Ambulance Service Providers) will be assisting our college in case we require quick medical help as well as ambulance facility.

3.1.11. Administrator's Office and Workshop: This Office coordinates all the maintenance services on the campus.

3.1.11.1. Disaster Management: In case campus mishaps have to be reported, contact the College Administrator (Ex. 108) or the College Receptionist (100) or the Principal (101). College authorities could also be contacted on phone lines: 22620661 or 22620665 through the use of mobile phones.

3.1.12. St. Xavier's Villa (Khandala): It is spacious set up in the midst of the Khandala hills and dales. It is about 20 minutes' walk from the Khandala Railway Station. It is open to the College staff and students for retreats, seminars and educational conferences. It includes a small chapel, a dining room, two conference halls and about 40 rooms (with single, double or triple occupancy). A caterer provides regular meals. Bookings have to be done through the Treasurer's Office of the College.

3.1.13. The Xavier's Merchandise Shop (XMS), on the ground floor of the Administration Building, is an outlet of the Xavier's Development Programme (XDP).

3.2. CORE FORUMS

3.2.1. Students' Council: The College has a long tradition of student participation in decision-making. Students on the Council serve as representatives of the students of each class. This year, the Student Council members will be elected as per the Government of Maharashtra, Higher Education Department's Order dated 26th October, 2018 or as advised otherwise by the Maharashtra Government.

3.2.2. Extra-Curricular Committee (ECC): It consists of faculty and students. It coordinates all the cultural and other extra-curricular activities on campus. It also monitors the extra-curricular involvement of each student in his / her attempt at completing the requisite hours of such activities to earn the mandatory Extra-Curricular Non-Academic Credits. It is advisable for students to check the College website for the ECC data submission procedure.

3.2.3. Grievance Redressal Mechanism: As per the University of Mumbai Circular No. DSD/05/of 2019 and GR dated 27/02/2019, the College Grievance Redressal Cell (CGRC) consists of the Principal (Chairperson of the CGRC), one Senior Faculty Member – Dr. Annapurna S, Vice Principal (Arts) and Member Secretary – Dr. Prashant Ratnaparkhi. The CGRC looks into formal

complaints (in a gender-neutral manner) made by students or faculty and recommends action to the Principal. Complaints may be made either to the Principal or directly on the online portal: grc.xaviers.edu.

- 3.2.3.1.** For academic grievances, the student should first approach the Head of the Department concerned, if the teacher in question is not open to dialogue. The student may then use the online portal mechanism to lodge the complaint using the link grc.xaviers.edu.
- 3.2.3.2.** For personal matters or regarding facilities on campus, students are encouraged to meet their teachers or the concerned Vice Principal or even the Principal.
- 3.2.3.3.** The Students' Council is also a channel for issues listed in 3.2.3.2.
- 3.2.3.4.** Suggestions (feedback / feed-forward) to improve the quality of life on campus are welcome.
- 3.2.3.5.** The College authorities assure confidentiality when complaints are lodged.
- 3.2.3.6.** The College has created a Caste-Based Discrimination Grievances Mechanism for any caste-based discrimination grievances. The aggrieved person(s) may approach the Principal on any such grievances. Alternatively, the person(s) can lodge the complaint through the online portal – [grc.xaviers.edu/caste based discrimination](http://grc.xaviers.edu/caste%20based%20discrimination).
- 3.2.4. Women's Development Cell (WDC):** It coordinates programmes for awareness and action on women's issues. It also constitutes the Gender Grievance Redressal Cell for complaints of sexual harassment or discrimination.
- 3.2.5. Internal Complain Committee (ICC):** It addresses issues pertaining to sexual harassment.
- 3.2.6. Inclusive Education (Provisions for Students with Disabilities):**
 - 3.2.6.1. Inclusive Education Policy**

The College offers support services to students with disabilities through the Enabling Committee. This Committee looks at concerns and solutions for effective Inclusive Education practices. If a current or prospective student with disability has any queries please contact Dr. Sam Taraporevala or Neha Trivedi, XRCVC, neha@xrcvc.org or sam@xrcvc.org; 022-22623298 / 022-22626329.
 - 3.2.6.2. Inclusive Education Accommodation Request Process:**

It is imperative for students with disabilities who seek to have any accommodations during their course of study to complete the process of submitting the Accommodation Intake Form within the first 15 days from having secured admission (for new students) and the Accommodation

3 COLLEGE FACILITIES

Continuation Form within 15 days from the start of the new academic year (for students continuing in College). Any delays in not meeting the deadline to submit the form will be taken as the student not needing any accommodation. It should be kept in mind that in the event that the student has not filled the Accommodation Intake Form, the college is then not mandated to provide any accommodation services.

- 3.2.6.3. Any student seeking accommodation needs to seek an appointment with Ms. Neha Trivedi, Coordinator, Students with Disability, XRCVC as soon as possible on grant of admission/beginning new academic year.
- 3.2.6.4. After the meeting with the Coordinator the student is to fill the Intake / Continuation Form within 15 days of granting of admission / start of academic year. The same has to be downloaded from the college website under the Inclusive Education Tab and submitted to Ms. Neha Trivedi.
- 3.2.6.5. Last date for submitting the forms for 2021-22:
 - 3.2.6.5.1. First Year Degree College: 15 days from the date of being admitted into the College.
 - 3.2.6.5.2. Second Year and Third Year Degree College: 15th July, 2021
- 3.2.6.6. The students will be granted their Accommodation Letter after being passed by the Enabling Committee.
- 3.2.6.7. The students are then expected to give a copy of this letter with all lecturers teaching them. The student is also expected to share the letter with any new lecturer who starts teaching them during the course of the year. The students are expected to do this within 7 days of being issued the letter or within 7 days of a new lecturer starting to teach. If the student fails to share this letter with respective lecturers, the college may not be in a position to provide the support granted.
- 3.2.6.8. For details of provisions (Academic and Examination) available for students with disabilities please read the Intake Form / Continuation Form.
- 3.2.6.9. In case of any grievances with the accommodations granted the students may approach the Principal.
- 3.2.6.10. In case of any Special Request not included in the Intake / Continuation Form the student must make a direct application to the Principal.
- 3.2.6.11. In order to support students who are economically disadvantaged and thereby get them included into the academic flow of the College Campus, the College has established the **Student's Beneficiary Fund**. It is from this corpus that students college fees, canteen bills and even hostel charges are paid. Dr. Geeta Kotian is currently in-charge of this facility and she acts as the liaison between the deserving students and the SBF. Students have to apply for these facilities by handing in an application to Dr. Kotian along with the family Salary Slip. She will then present these

- 3.2.6.12.3. Student Inclusion Cell (SIC):** The SIC is a student body that works at inclusion and accessibility on campus. The SIC is headed by an Overall Co-ordinator and works with a team selected on an annual basis. The SIC works on diverse projects and events to promote awareness amongst the student community on inclusion as also provide support to the College to ensure effective delivery of the inclusion ethos on campus. The SIC can be reached at sic.xaviers@gmail.com.

3.3. ADDITIONAL ACADEMIC FACILITIES

- 3.3.1. Blatter Herbarium:** It was started at the end of the 19th century. By 1918 a very large number of plants were gathered by Fr. E. Blatter S.J., his associates and students. The Herbarium was named after Fr. Blatter in 1941. It contains the largest collection of plants in Western India. It provides facilities for the study of Plant Systematics and has a well-stocked library on Systematic Botany. The Herbarium has received the Sir Ratan Tata Trust Grant for upgradation and digitization of the plant database. Dr. Rajendra Shinde is the Director.
- 3.3.2. Caius Research Laboratory for Inter-Disciplinary Studies (1947):** It was established to carry out drug research and was named after Fr. J. F. Caius S.J. It has been restructured and equipped with new instruments. It functions as a research and coordination centre for all the Science Departments. In this Lab a strain of *Streptomyces* was identified. It has been supported by grants from industry, UGC, UNDP, etc. This laboratory also provides facilities for faculty and students from within the College as well as from other Colleges/Institutes to carry out research projects and internships. The fee for Interns would be Rs. 10000 per month. Dr. Priya Sudarajan is the Director.
- 3.3.2.1. Central Instrumentation Facility (CIF) (2006):** This facility (part of the Caius Research Lab) has sophisticated equipment acquired mainly through a DST-FIST Grant and UGC's 'College of Excellence Scheme'.
- 3.3.3. Heras Institute of Indian History and Culture (1926):** Initially, it was called the Indian Historical Research Institute, by Fr. Henry Heras S.J., and on his death in 1955, it was renamed after him. The Heras Institute, with its well-stocked Research Library and Museum, provides guidance and facilities for Post-Graduate research in Ancient, Medieval & Modern Indian History, Indian Art & Literature, Indian Religions & Culture. Its Research Journal is called INDICA (since 1964).
- 3.3.4. Nadkarny-Sacasa Research Laboratory (1972):** It provides modern research facilities in Chemistry and connects research with industry. It can support 20 Post-Graduate research students in Chemistry. This laboratory has

produced several doctorates, one international and two national patents. Dr. (Ms.) Ashma Aggarwal is the Director.

- 3.3.5. Xavier's Visual Arts Studio (2014):** It is equipped with professional quality digital cameras (still and moving), lighting equipment and an A.V. editing set up. This facility is open to all our College students. Students from the Arts & Science faculties use this studio to enhance their course projects with the basic techniques of visual presentation. . The Head of the BMM Department, Ms. S.P. Periyarayagi is in-charge of this studio.
- 3.3.6. St. Xavier's Language Laboratory:** It is equipped with the latest in Language Acquisition Technology. It caters to both new and advanced learners in English, Hindi, French and Marathi. It also helps students to develop their Soft-Skills (e.g., Presentation Skills and Public Speaking Skills).
- 3.3.7. The Xavier Institute of Communications (XIC; 1969):** This professional media center is an autonomous curricular unit of the College. More than 250 students enroll each year in courses like Journalism & Mass Communication, Advertising & Marketing Communication, Public Relations & Corporate Communication, Film, TV & Digital Video Production, Advanced Integrated Communications Programme and Event Planning and Experiential Marketing. A variety of specialized, short-term certificate courses are also offered to media professionals, and others seeking media training. The alumni of this Institute are well placed in the media sphere.
- 3.3.8. Xavier Institute of Counselling Psychology (XICP):** Addressing the dearth of mental health professionals and to equip psychologists with the necessary knowledge and skills to enhance therapeutic counselling Fr. Berchmans D'Souza SJ, founded the XICP in 1992. The mission, to augment the psychological well-being of humanity, continues to be upheld. Currently, XICP runs two courses: (1) The Post Graduate Diploma in Counselling Psychology for those having a Masters in Psychology and related fields, and (2) the Certificate Course in Personal Counselling for people from fields other than Psychology. Though the Certificate Course was conceived by Fr. J.M. Fuster SJ, it is now run under the XICP banner as the vision remains consistent with that of enhancing the mental health of society as a whole. The practical and hands on approach of the courses help professionals in reaching out in support.

3.4. CO-CURRICULAR AND EXTRA-CURRICULAR FACILITIES

- 3.4.1. Department of Inter-Religious Studies (DIRS) (1987):** It fosters an understanding and appreciation of religions as a potent force for communal harmony, social justice and ecological sustainability. Its aim is to motivate people of all faiths as well as those who profess none to strive together for integral

compassion (intrapersonal, interpersonal, societal, global and cosmic). It organizes sensitivity programmes, discussions and public lectures on relevant issues in religion, culture and philosophy. It runs two Diploma Courses: 'Interreligious Traditions' and 'Comparative and Applied Ethics'. Dr. (Fr.) Keith D'Souza S.J. is the Director.

3.4.1.1. Chapel-cum-Prayer Hall: The Chapel is open during college hours to students and staff of all faiths who would want time for quiet and prayer. The Eucharist is held 4 times a week for Catholic students and staff, during the class break timings.

3.4.2 Council of International Programmes (CIP): It enables an osmotic educational link between St. Xavier's College and Universities across continents. It has incessantly bolstered the visibility of the College on the global map. While CIP looks forward to fostering new alignments with the leading universities across the globe, it harks back to the rich legacy of globalization that has been an inherent facet of Jesuit education here. CIP facilitates both **short-term** and **long-term** programmes for its in-house and foreign students.

3.4.2.1 Short-term programmes for in-house students can be availed of in the April-May period. Summer programmes of renowned universities can be availed of. Credits earned through these programmes cannot be transferred.

3.4.2.2 Long-term programmes include:

3.4.2.2.1 A semester abroad during the fourth semester with full-transfer credits. Admission to this programme is subject to the approval of the core departments that the student is currently studying in.

3.4.2.2.2 One year exchange programme after completing the second or third year. If the student chooses to go after the second year, the student has to return to college to complete the third year of the degree course in order to graduate from St Xavier's College.

3.4.2.3 All students availing of foreign exchange programmes have to abide by the norms and guidelines stipulated in the College Handbook. Dr. Rashmi George is the Director of this programme.

3.4.3 Study Abroad Counselling Centre (SACC) (2012): It helps students get admission into PG programmes in various foreign Universities; in selecting Universities, preparing for TOEFL / GRE, completing Visa and pre-departure formalities. Ms. Rashida Haidermota is in-charge of the Centre.

3 COLLEGE FACILITIES

- 3.4.4 Honours Programme:** It aims at providing intellectual challenges to students, by pushing them beyond the regular syllabi, providing scope for greater student participation and promoting creativity in the learning process. Through its assignments, seminars and projects, academic pursuit is made enjoyable. Over three years, students must accumulate a minimum of 7 credits, of which: 5 must be from the Hub in which the student has registered; 2 Transfer Credits from any other discipline / Hub. Individual e-credit cards are awarded to students who complete their Honours activities. A Certificate of Merit is awarded to students who successfully complete the Programme. The office of the Vice-Principal (Academics) is in-charge of this Programme.
- 3.4.5 Learning for Life Programme:** It seeks to enlarge the scope of learning to other areas of accomplishment. It includes courses in Personality Development, Public Speaking, Self-Defence, Photography, Calligraphy, etc. The ECC handles this Programme.
- 3.4.6 College and Departmental Fests / Conferences:** The College encourages the holding of Fests / Conferences as it trains students in organizing and leadership skills. Nearly every department organizes such activities at the intra and / or inter college levels.
- 3.4.6.1 Malhar** is an annual inter-collegiate 3-day festival held in August. Along with the cultural component, it also holds 'Conclave' as its intellectual component.
- 3.4.6.2 Xynergy** is an inter-collegiate Science Festival held in November. It includes a conference, an exhibition and other academic events.
- 3.4.6.3 Jan-Fest** is a 2-day festival that celebrates Indian Classical Music in January. This is a finale of a series of musical concerts that IMG organizes (refer 3.5.1., page 21).
- 3.4.6.4** For the Department Fests and other extracurricular programmes, refer to 3.5.7. , pages 23 & 24.

3 COLLEGE FACILITIES

3.4.7 Social Involvement Programme (SIP) (1996): It aims at making education socially relevant. Students are made to learn through direct social involvement as 'when the heart is touched by direct experience, the mind is challenged to change'. Students work with economically and physically underprivileged children as well as with mentally challenged individuals, domestic workers, hospital patients and senior citizens. Under the guidance of two qualified Social Workers, students are required to offer a minimum of 45 hours of service with an NGO and 5 hours of social activities connected with any of the academic disciplines that college offers. For the academic year 2021-22, this programme has been tweaked so as to adapt to the prevailing CoVID-19 situation.

3.5 COLLEGE ASSOCIATIONS

3.5.1 The Indian Music Group (IMG) (1973): It aims at promoting Indian Classical Music in the city. It organizes concerts, lecture-demonstrations and music appreciation courses. Jan-Fest, its annual Indian classical music festival, is very highly rated. In 1984, an air conditioned library was set up with an enviable collection of LP's and tapes, inclusive of several thousand hours of recorded live performances. Dr. Bhaskar Saha is the IMG Convenor.

3.5.3 The Social Service League (SSL): This started more than 50 years ago. It caters to the altruistic sensibilities of students. Its activities include an exhibition on a socially relevant theme, an annual Rural Work Camp, Project Care (a two-day programme for children who are economically and/or differently challenged), visits to homes for the disadvantaged and similar activities. Br. Vivian Almeida S.J. is the Faculty-in-Charge.

3.5.4 All India Catholic University Federation (AICUF): Inspired by Gospel values, the AICUF, a national youth organization, gives students an opportunity to develop an all-round personality through leadership training, social outreach, spiritual integration and cultural activities. Conscientized on burning issues like women empowerment and ecological imbalance, its members are geared to taking a stand for the liberation of marginalized groups and Mother Earth. The AICUF facilitates the College Choir and with the DIRS organizes the Inter-Faith Prayer Services and Masses. Its national slogan is 'We are born into an unjust society and we are determined not to leave it as we have found it'. True to the concept of 'Catholic' which means 'Universal', the approach of the AICUF is inclusive. Fr. Dean Fernandes S.J. is the Faculty-in-Charge.

3.5.5 St. Xavier's Alumni Association (1903): It caters to alumni/ae who would like fellowship and contact with their Alma Mater, the Association has seen illustrious ex-students involved in its activities. It is handled by the XDP.

3 COLLEGE FACILITIES

- 3.5.6 Xavier's Development Programme (XDP):** It aims at connecting with alumni for various alumni-centric events and keeping alive the Xavier's family via the alumni website – alumni.xaviers.edu, social media and personal contact. It also looks to collect funds for the college: staff endowment, academic facility enhancement, heritage restoration and infrastructure development. Fr. Keith D'Souza SJ is the Director of XDP.

4. COLLEGE ADMISSION PROCESS

4.1. ADMISSION POLICY

- 4.1.1.** Admission of students into the Autonomous Degree Courses will be on the basis of the aggregate marks in the qualifying examination or its equivalent, for both the Undergraduate (UG) and the Postgraduate (PG) courses, unless specified otherwise.
- 4.1.2.** An Entrance Exam is conducted for:
- 4.1.2.1.** UG courses in: Arts (Mass Communication & Journalism - MCJ), Management Studies (B.M.S.) and BSc (IT)
 - 4.1.2.2.** PG courses in: Public Policy, Psychology, Big Data Analytics and Physics (Astrophysics),
 - 4.1.2.3.** Admission for the courses listed in 4.1.2.1 and 4.1.2.2 is based on:
 - 4.1.2.3.1.** 60 % weightage to Entrance Test (Objective Question Paper) & 40 % weightage to Class XII aggregate marks.
 - 4.1.2.3.2.** A candidate can apply in only one category (refer Table 4.1.9 (B) on page 27).
- 4.1.3.** For all the other PG courses, admissions are based only on the merit secured by the candidates as per the selection criteria of the respective PG Departments. The respective PG selection criteria can be found on:
- 4.1.3.1.** M.Sc. in Botany, Geology, Life Sciences & Microbiology: 8.1.5 (Pg. 76)
 - 4.1.3.2.** M.Sc. in Big Data Analytics: 10.1.4(Pg. 89)
 - 4.1.3.3.** M.Sc. in Biotechnology: 10.2.4 (Pg. 92)
 - 4.1.3.4.** M.Sc. in Physics: 10.3.4 (Pg. 94)
 - 4.1.3.5.** M.A. in Ancient Indian History Culture and Archaeology: 9.1.5 (Pg.87)
 - 4.1.3.6.** M.A. in Public Policy: 11.1.6 (Pg. 98)
 - 4.1.3.7.** M.A. in Psychology: 11.2.4 (Pg. 100)
- 4.1.4.** All applications for admissions to any UG or PG degree course should be submitted by the date notified by the College. Late applications may not be accepted.
- 4.1.5.** If an entrance exam is held for any UG or PG degree courses, then only those candidates who appeared for the said examination become eligible for admission into the concerned course, in the academic year under consideration. In other words, anyone who has not appeared for the concerned entrance exam, cannot be admitted into that course.
- 4.1.6.** Admissions will be considered to be completed only when the full fees for the academic year are paid (against an official receipt) and the name of the applicant appears on the relevant rolls. Only the Principal can condone payment in full or allow payment in part.
- 4.1.7.** All UG and PG admissions are valid only for one year and are therefore to be renewed for each subsequent year of study.

4. COLLEGE ADMISSION PROCESS

- 4.1.8.** A student will not be re-admitted to the College if he / she has:
- 4.1.8.1.** Had three unsuccessful attempts at the same examination.
 - 4.1.8.2.** Been debarred twice within the first four semesters.
 - 4.1.8.3.** Had serious complaints of indiscipline against him / her in the previous year.
- 4.1.9.** The College is a Catholic Minority College, administered under the provisions of the Indian Constitution, to promote the welfare of the Minority community.
- 4.1.9.1.** As per the Judgement dated 12th October 2017 of the Honourable Bombay High Court vide Writ Petition No. 1726 of 2001, Minority Colleges do not need to set aside seats for Backward Classes. This is reiterated by the University of Mumbai Circular (No. Aff ./ Recog.I / Admission/(2018-19)/10/of 2018), dated 30th May, 2018.
 - 4.1.9.2.** This Judgement renders null & void the Directives regarding Reservation of Seats given by the University of Mumbai vide Circular No. Spl. Cell / (68) / 218 / 2005 dated 3rd June, 2005 [i.e., SC (13%) / ST (7%) / DT(A) (3%) / NT(B) (2.5%) / NT(C) (3.5%) / NT(D) (2%) / OBC (19%) / SBC (2%)].
 - 4.1.9.3.** Hence, the admission in-take in St. Xavier's College (Autonomous), Mumbai is as shown in Table 4.1.10 (A) and Table 4.1.10. (B) on pages 26 and 27 respectively.

5. ACADEMIC GUIDELINES UNDER AUTONOMY

5.1. BACKGROUND OF COLLEGE AUTONOMY

- 5.1.1.** The Indian higher education has mainly been under the affiliating system, wherein all colleges are linked to a University which prescribes its syllabi and organizes, controls and oversees the evaluation system. However, with a view to improve the quality of higher education, the Government of India, through the UGC, has recommended the delinking of academically well-established colleges from the affiliating system with a view to promote academic excellence. Hence, the emergence of an autonomous college, which is mandated to:
- 5.1.1.1.** Determine its own course of study and syllabi.
 - 5.1.1.2.** Prescribe rules for admission in consonance with the Reservation Policy of the State Government.
 - 5.1.1.3.** Evolve methods of assessing students' performance, conduct examinations and declare the examination results along with the corresponding marksheets.
 - 5.1.1.4.** Use modern tools of educational technology to achieve higher standards, incentivize creativity and promote best practices for the benefits of the students and society at large.
- 5.1.2.** Recognizing the academic excellence of St Xavier's College, Mumbai, the UGC, State Government and University of Mumbai, have conferred on it the status of an academically Autonomous College from June 2010. Although St Xavier's College, Mumbai, is academically autonomous, the Graduation Degree is conferred by University of Mumbai.

5.2. ASSESSMENT

The College conducts continuous assessments for all theory and practical courses in each semester.

5.2.1. Theory: Continuous Internal Assessment (CIA)

- 5.2.1.1.** Usually 2 CIAs are held during a semester per course:
- 5.2.1.1.1.** 25 and 25 marks respectively in the 1st Semester only. However, due to COVID-19 situation, only one CIA of 25 marks will be held in Semester I and the marks secured will be upscaled to 50.
 - 5.2.1.1.2.** 25 marks per CIA in the remaining Semesters.
 - 5.2.1.1.3.** It is possible that a course (in consultation with the Principal) may club the two CIAs into one (50 marks). In this case the lecturer concerned has to give to the Principal the breakup of the continuous marking scheme.
 - 5.2.1.1.4.** It is also possible that (in consultation with the Principal) the 25 marks of CIA II could be broken down into assignments running throughout the concerned Semester.
- 5.2.1.2.** **There will be no retests for the CIAs.** Any student who misses either CIA I or CIA II or both can acquire the 40% required to pass the course through the 50 mark ESE.

5. ACADEMIC GUIDELINES UNDER AUTONOMY

- 5.2.1.3. Special CIA Clause:** The Principal will request the concerned Department(s) to hold a Special CIA Test (of one or more courses) for a student, within the same semester, under the following circumstances:
- 5.2.1.3.1.** If the Principal allows a student to represent the College at or to participate in some event (academic / cultural / sports) and this causes the student to miss a CIA Test (of one or more courses) (Note: The concerned event could be either a couple of weeks prior to or during the CIA period).
 - 5.2.1.3.2.** If just prior to or during the CIA a bereavement (of an immediate family member) occurs. (Note: In this case the Death Certificate of the departed and the Parent's note will have to be given to the College within 2 days of returning to College, for this clause to hold).
 - 5.2.1.3.3.** For the same student, the Principal will exercise this discretionary power for only one of the two CIAs of a semester.
- 5.2.14.** If a student fails to score 40 % in the overall total of a course, such a student will have to appear for the Additional 100 marks Examination (in the subsequent semester) for that course and forego all the CIA marks earned in the on-going semester in that course.

5.2.2. Theory: End Semester Examination (ESE)

- 5.2.2.1.** The ESE is for a maximum of 50 marks of 75 minutes duration.
- 5.2.2.2.** There will be barcoding (for TYs) and masking (for FYs and SYs) of the answer sheets prior to assessment.
- 5.2.2.3.** For the F.Y / S.Y. courses there will be a Single Evaluation with Moderation for all courses as shown below:
 - 5.2.2.3.1.** The assessed papers of the top 4 scores of the course per division.
 - 5.2.2.3.2.** 20% of the rest of the assessed papers (per division) on a random basis.
- 5.2.2.4.** If a moderator finds issues (e.g., inconsistency, inflated / deflated marks) with the markings of the Internal Examiner, from the set given for moderation, the option to increase the number of answer booklets to be moderated in that Course could be exercised in consultation with the Principal.
- 5.2.2.5.** If 30% or more of the moderated papers assessed by a particular examiner of a Course have a change of more than 15% of total marks assigned to the course, a blind moderation will be required by a second moderator. If the change is upheld, all the answer booklets of that group will have to be re-evaluated blind by the second moderator. The re-evaluated marks will be the final score awarded.
- 5.2.2.6.** At the Third Year, there will be a **Double-Blind Evaluation** by the teacher of the course and an external examiner. The average of the two scores will be the marks awarded. If in 30 % or more of the total answer booklets evaluated per

5. ACADEMIC GUIDELINES UNDER AUTONOMY

course there is a marking discrepancy between the two evaluations of more than 15% of the total marks assigned to that course, a third blind evaluation will be required. The average of the 3rd Blind Evaluation and the marks of the evaluator closest to it will be the ultimate score awarded. The ongoing Covid 19 situation and the online mode of assessment has presently rendered this untenable, but on the resumption of normal college, this procedure will be continued.

5.2.3. Practicals

- 5.2.3.1. Practical component per course is for 50 marks, of which 5 marks is for the Journal and 45 marks for the ESE or 15 marks for CIA and 30 marks for ESE.
- 5.2.3.2. Science subjects have a Practical component per course as:
 - 5.2.3.2.1. F.Y.B.Sc. (except Mathematics) (2 courses / semester)
 - 5.2.3.2.2. S.Y.B.Sc. (except Mathematics) (3 courses / semester)
 - 5.2.3.2.3. T.Y.B.Sc. (including Mathematics)(4 courses / semester)
- 5.2.3.3. For Mathematics in:
 - 5.2.3.3.1. F.Y.B.Sc. there are no Practicals.
 - 5.2.3.3.2. S.Y.B.Sc. the Practical component is for Courses SMAT0303 & 0404
 - 5.2.3.3.3. T.Y.B.Sc. there is a Practical component in all the Courses.
- 5.2.3.4. For Statistics for Arts:
 - 5.2.3.4.1. F.Y.B.A.(1 course / semester)
 - 5.2.3.4.2. S.Y.B.A.(2 courses / semester)
 - 5.2.3.4.3. T.Y.B.A.(3 courses / semester)
- 5.2.3.5. For Psychology (Courses: APSY0505 and APSY0605) a 100 marks Practical Course per semester is held. The breakup of the 100 marks is: Journal 20; viva-voce 50 and ESE 50.
- 5.2.3.6. All practical journals have to be signed by the Faculty-in-Charge (FIC) at each of these Practicals. The HoD along with the FIC will certify these Journals. No marks are allocated for attendance at practicals, but journals will be certified only against the completion of at least 75% attendance at the Practicals.
 - 5.2.3.6.1. A student whose Journal is not certified in a Course will be given ZERO marks for the Journal in that Course.
 - 5.2.3.6.2. The Journal Marks will be carried forward if a student fails or is absent for the corresponding practical of the Course.
- 5.2.3.7. The End Semester Practical Examination (45 marks) of any Course need not be held only at the end of that semester; it could be held (in consultation with the Principal) through the semester. In such a case, the Department is expected to

5. ACADEMIC GUIDELINES UNDER AUTONOMY

ultimately submit to the Examination Department the Consolidated Marks (per Course).

- 5.2.3.8. No Additional ESE for Practicals will be held within the on-going semester, unless permitted by the Principal.
- 5.2.3.9. If, for the Practicals, a student is absent or fails to get 40% of the total practical marks (i.e., 40/100 or 60/150 or 80/200) then an Additional Practical ESE will be held when the concerned Practical Examination is held for the next batch of students in the subsequent academic year(s). However, for Mathematics and Statistics, the Additional Exams will be held in the subsequent semester.
- 5.2.3.10. A student will have to appear for the Practicals of all the Courses of the subject that he / she has chosen.
- 5.2.3.11. If a T.Y.B.Sc. / T.Y.B.A. student fails in or is absent for one or more of the Practicals in Semester V, he / she will be allowed to appear for the Additional Examination in Semester VI of the concerned academic year.
- 5.2.3.12. If a T.Y.B.Sc. / T.Y.B.A. student fails in or is absent for the Practicals in Semester VI, he / she will have to appear for these practicals in the subsequent Semester V of the following academic year.
- 5.2.3.13. At the end of every semester, the records of the Practical marks per Course in the subject (i.e., CIA marks from those Departments which hold CIA for Practicals and ESE) would be submitted by the Department to the Examination Department.

5.3. PASSING NORMS

- 5.3.1. **To Pass a Theory Course** a student is required to obtain a minimum of 40% of the total marks allotted to that Course, which includes: CIA I, CIA II and the ESE.
 - 5.3.1.1. A student will have to re-appear for the Additional 3-hours 100 marks Examination at the end of the subsequent semester if he / she fails to secure the required minimum 40 % of the total marks at the Regular Examination.
 - 5.3.1.2. When a student appears for an Additional 100 marks Examination, only the marks secured by the student at that Additional Examination will be ultimately awarded.
- 5.3.2. **To Pass a Practical Course** a student is required to secure a minimum of 40% of the total marks allotted for the concerned Course.
 - 5.3.2.1. If a student appears for an Additional Practical Examination, the Practical Marks obtained earlier, except the journal marks, are annulled.
 - 5.3.2.2. The marks obtained at the Additional Practical Examination will be the marks ultimately awarded.

5.4. GRACING NORMS

5. ACADEMIC GUIDELINES UNDER AUTONOMY

- 5.4.1. **Grace marks for passing:** Upto a maximum 1% of the Grand Total per semester can be added to any Course(s) to fulfill the passing norms.
- 5.4.2. **Grace marks for Award of Class:** Upto 1% of the overall marks of that class will be added to the Grand Total to obtain a 1st Class or 2nd Class provided that the student has not obtained Grace Marks for passing in any Course (Note: this applies only to the final Consolidated Marksheet).
- 5.4.3. A student will be entitled for 10 Grace Marks, which will be added to his / her Even Semester Marksheet in the academic year when he / she represented the College in sports, NCC or cultural activities and was among the winners (1st, 2nd or Runners-up) or had reached the quarter finals of any competition held by the University of Mumbai.
 - 5.4.3.1. Only students who have passed in all subjects will be eligible for the Grace Marks as indicated in 5.4.3. In this case these Grace Marks will be distributed over 3 subjects so that the benefit is reflected in such a student's GPA.
- 5.4.4. Grace Marks (as in 5.4.1. to 5.4.3.1) are not awarded for Additional Examination.
- 5.4.5. For Degree Class Improvement, the candidate has to appear for the examinations of all the 6 semesters for UG and all the 4 semesters for PG.
 - 5.4.5.1. There is no scheme for performance improvement of any semester individually.

5.5. RESULTS

- 5.5.1. **A 10-Point Grade System** for all courses has been adopted – it involves calculations for a Semester Grade Point Average (SGPA) and the final Cumulative Grade Point Average (CGPA).
- 5.5.2. Marksheets / Grade sheets are issued per Semester & per Additional Examination.
- 5.5.3. Those students who do not register for the Additional Examination within the stipulated period displayed on the Examination Notice Board will not be permitted to appear for the concerned examination(s).
- 5.5.4. Those students who fail in Courses adding up to 12 credits or less, across both semesters in an academic year, will be 'Allowed to Keep Terms' (ATKT) and appear for the Additional Examination(s) in the subsequent Semester.
- 5.5.5. Those students who fail in Courses adding up to more than 12 credits across both semesters in an academic year will be declared failed in that academic year.
- 5.5.6. To be admitted into the TY, one of the following conditions must be fulfilled:
 - 5.5.6.1. The student passes both the FY and SY classes.
 - 5.5.6.2. The student passes both the FY Semesters but fails in courses adding upto 12 or less credits at the SY.
 - 5.5.6.3. The student passes both the SY Semesters but fails in courses adding upto 12 or less credits at the FY.

5. ACADEMIC GUIDELINES UNDER AUTONOMY

- 5.5.7. Students who have not cleared any one of Semester I, II, III, IV will not be allowed to appear for the Semester VI examination.
- 5.5.8. The Semester VI results of any student will not be declared until that student has cleared all the Courses of Semester V.
- 5.5.9. A student who is not satisfied with the evaluation of his / her paper in any Course, can apply (by the date notified on the Examination Notice Board), for a photo-copy and / or a re-evaluation of the answer paper. If the re-evaluation reveals a (+ / -) 15% or greater difference, an average of the first evaluation and of the re-evaluation will be the final score awarded. If the re-evaluation reveals a less than (+ / -) 15% then the original marks obtained will be retained.
- 5.5.10. Error(s) in the hard or soft copies of the marksheet (viz., name of student, marks, SGPA, CGPA, grades, UID No., etc.) have to be brought to the notice of the General Office via the Principal / Vice-Principal within 20 days of the distribution / uploading of the marksheets in the Odd Semesters and within 7 days in the Even Semesters. No changes will be entertained after the lapse of these 20 or 7 days.

5.6. ATTENDANCE

- 5.6.1. The College expects 100% attendance at all lectures / practicals per chosen course. As there are legitimate reasons why 100% attendance is not possible, a minimum of 75% attendance per course is made mandatory. (The mandatory attendance regulation stands on hold as per the Govt. of Maharashtra ruling in CoVid-19 situation)
- 5.6.2. A student with less than 75% attendance in a course (including tutorials) will not be allowed to appear for the ESE in that course.
- 5.6.3. A condonation of up to 50% of lectures / practicals per course could be made at the discretion of the Principal, in the following cases:
 - 5.6.3.1. Serious illness authenticated by a Doctor's Certificate and Medical Records & submitted within 2 working days of resuming classes.
 - 5.6.3.2. Other serious reasons, with validating documents (acceptable to the Principal) & submitted within 2 working days of resuming college. Such documents will not be accepted after these 2 working days.
 - 5.6.3.3. No condonation is possible if a course's attendance, for whatever reason(s), is below 50% of the said course's lectures / practicals.
- 5.6.4. For students who are sent by the Principal to represent the College, the total attendance will be reduced by the number of days spent representing College. Such students will have to login at least 75 % attendance of the lessened total.
- 5.6.5. Unless unavoidable, students are not allowed to miss lectures, practicals, CIAs or ESE without the prior permission of the Principal. Absence without prior permission will make students liable to disciplinary action, including denial of Terms.

5. ACADEMIC GUIDELINES UNDER AUTONOMY

- 5.6.6.** Absence from any Test / Exam must have documentary justification which must be presented to the concerned Vice-Principal within 2 working days of resuming classes, as per the procedure mentioned on the Class Notice Boards.
- 5.6.6.1.** In case of illness, a Medical Certificate and Medical Records must be produced.
- 5.6.6.2.** In case of bereavement, the Death Certificate will have to be submitted.
- 5.6.6.3.** No documents will be accepted after the 2 working days.
- 5.6.7.** The Leave Application / Medical Papers must be accompanied by:
- 5.6.7.1.** The duly filled College Absence Record Form (which is available in the College Hostel Office).
- 5.6.7.2.** A covering letter from the Parent or Guardian of the student.
- 5.6.8.** Serious illness or other circumstances are valid reasons for absence from lectures, practicals and exams. However, if the College is not provided with sufficient evidence of academic participation by the concerned student, the College may not grant such student terms for the concerned Course(s) in that Semester. Such students would have to repeat the concerned Course in the next academic year. Note: 5.6.3.3. is also applicable here.
- 5.6.9.** Attendance Grades (AG) (as shown in Table 5.6.9.; page 38) for each course will be displayed in the semester Marksheets.

Table 5.6.9.

Attendance Range (%) per Course	100 to 95	< 95 to 90	<90 to 85	<85 to 80	<80 to 75	< 75	Debarred Students who pass Additional Exams
Grades	A+	A	B+	B	C	TNG	D

Note: TNG = Terms Not Granted (i.e., Debarred for ESE in that Course)

- 5.6.10.** The AG for those students appearing for the Additional 100 marks Examinations and were not debarred for the ESE of that Course, will be the same as that secured during the concerned semester.
- 5.6.11.** The AG 'D' will be given to students who were debarred and have passed the Additional Examination of the concerned Course.
- 5.6.12.** Students, who have been debarred twice within the 1st four semesters, will not be re-admitted in the subsequent academic year.
- 5.7. RULES FOR EXTRA-CURRICULAR CREDIT (ECC) ACTIVITIES**
- 5.7.1.** Two mandatory (Non-Academic) ECC will be required to be earned by a student to obtain a Degree.
- 5.7.2.** Each student has to log-in (over the 3-years of UG studies) a minimum of EC activities hours as follows (This new stipulation is only for the current FYs & SYs):

5. ACADEMIC GUIDELINES UNDER AUTONOMY

- 5.7.2.1. For Arts & Management students: 50 hours. These 50 hours will be accumulated as: 20 hours in FY, 20 hours in SY and 10 hours in Semester V
- 5.7.2.2. For Science & Information Technology students: 40 hours. These 40 hours will be accumulated as: 15 hours in FY, 15 hours in SY and 10 hours in Semester V.
- 5.7.3. If by Semester VI, a student fails to earn these mandatory hours as stipulated in 5.7.2., he / she will have to do 10 additional monitored SIP hours in Semester VI.
- 5.7.4. The students' EC progress, in terms of hours & quality of participation is monitored and recorded by the EC Committee (ECCoM), under the supervision of the EC Faculty-in-Charge. The ECC Grade awarded will be either 'A+' or 'A'.
- 5.7.5. The following activities are eligible for EC credits:
 - 5.7.5.1. Representing College at ECCoM. approved competitions / NCC.
 - 5.7.5.2. Engaging in the co-& extra-curricular activities of the College Associations / Departments. These activities have to be certified by the Association's Faculty-in-Charge or HoD.
 - 5.7.5.3. Being a member of the College Magazine Committee or Students' Council or any approved College Student Body.
 - 5.7.5.4. Involving in Malhar/Synergy /Jan-Fest as organizer / volunteer.
 - 5.7.5.5. Enrolling in activities organized by the Student Council, SSL, AICUF, I.M.G. and other such bodies approved by College.
 - 5.7.5.6. Participating in Sports, certified by the College Sports Director.
 - 5.7.5.7. Involving in the International programmes of the College.
 - 5.7.5.8. Providing on campus services to students with disabilities on campus (through the XRCVC).
- 5.7.6. Students are advised to check the College website for the ECC data submission procedure.

5.8. SOCIAL INVOLVEMENT PROGRAMME (SIP)

- 5.8.1. Two mandatory (Non-Academic) SIP Credits will be required to be earned by each student to obtain a degree.
- 5.8.2. These credits have to be completed over semesters I or II by working with an NGO assigned by the SIP Department as well as with a College Department.
- 5.8.3. The SIP Credits is based on 30 hours of logged-in activity as shown below:
 - 5.8.3.1. 25 hours of actual social activity with the assigned NGO. This service with the assigned NGO is monitored by the SIP Department of the College.
 - 5.8.3.2. 5 hours of service through a Department of the College. This service must be discipline-centric and so curated and monitored by the concerned Department.

5.9. INTERNSHIPS / FIELDWORK / ADD-ON CREDITS

- 5.9.1. Internships / Fieldwork experiences are encouraged by the College so that students gain practical experience in their sphere of study.

5. ACADEMIC GUIDELINES UNDER AUTONOMY

- 5.9.2.** For Internships / Fieldwork a maximum of 1 credit can be awarded as Non-Mandatory Credits on the Consolidated Marksheet, the following protocol should be followed:
- 5.9.2.1.** The internship / fieldwork activity cannot be a part of either a CIA or of an ESE.
 - 5.9.2.2.** It must be undertaken only during the breaks between Semesters:
 - 5.9.2.2.1.** For UG students: Any break between Semester I and Semester VI
 - 5.9.2.2.2.** For PG students: Any break between Semester I and Semester IV
 - 5.9.2.3.** A minimum of 60 hours of experience, and only 6 hours per day.
 - 5.9.2.4.** It has to be first approved by the Department's HoD(s) through which the student would graduate (Single Major for UG and PG / Double Majors for UG).
 - 5.9.2.5.** International Exchange students cannot avail of this Credit. Hence, College Departments should not entertain applications from such students.
- 5.9.3.** The concerned Department would have to monitor this activity as under:
- 5.9.3.1.** The HoD, on behalf of the student, would issue a request letter to the organization in which this activity will be undertaken.
 - 5.9.3.2.** The Department would collect from the student the certification given to him / her by the concerned organization, post the internship.
 - 5.9.3.3.** The Department would then conduct a *viva voce* to verify the quality of the tasks undertaken by the student in the concerned organization.
 - 5.9.3.4.** On certifying that the activity is acceptable, the Department would then submit a report to the Examination Department, not later than the end of February of that student's Semester VI.
- 5.9.4** An add-on credit will be awarded to students for completing Swayam/NPTEL Courses. A student must complete 6 credits (or equivalent) across 3 years (Semester 1-6) of their UG course or 4 credits (or equivalent) across 2 years (Semester 1-4) of their PG course in Swayam/NPTEL courses (disciplinary/interdisciplinary) to be eligible for one add-on credit.
- 5.9.4.1** The Add-on credit will be considered for any of the courses offered by SWAYAM / NPTEL or any equivalent Government recognised institute and is not limited to the academic specialization of the student. The college encourages interdisciplinary studies.
 - 5.9.4.2** Students are eligible for 1 Add-On credit only after the submission of a course completed / assessment cleared, certificates from SWAYAM / NPTEL or equivalent, for 6 credits or equivalent.
- 5.9.5** All documents and proofs related to Add-on credits should reach the college office, latest by the month of March for being considered in the consolidated marksheet of the graduating student. The HOD of the departments from which the student is graduating needs to forward the documents to college office.

5. ACADEMIC GUIDELINES UNDER AUTONOMY

5.10. TRANSFER OF CREDITS

5.10.1. Transfer of Credits from Other Institutions

- 5.10.1.1. The College will accept the transfer of credits for one semester from another institution within India (limited to A Grade Colleges or otherwise of repute) or from a foreign University of repute.
- 5.10.1.2. The student will be expected to earn as many credits to complete the semester as demanded by the host institution.
- 5.10.1.3. The College will transfer only the number of credits that it normally has for the semester missed, even if the number of credits that the host institution grants is greater than the number required by the College.
- 5.10.1.4. Students can go to:
 - 5.10.1.4.1. An Indian institution only during Semester III or IV.
 - 5.10.1.4.2. A foreign institution (whose academic year begins in August / September), only during Semester IV.
- 5.10.1.5. Only students who fulfil the following qualifications in the first 3 semesters are permitted to avail of this facility:
 - 5.10.1.5.1. A minimum CGPA of 7.5; and
 - 5.10.1.5.2. A minimum average attendance of 75%.
- 5.10.1.6. To encourage a choice based credit system, these students will be allowed to choose any academic courses at the host institution in addition to at least **two** courses (in the semester pattern) in the subject that he / she is going to major in or a minimum of **one each** for a double major student.
 - 5.10.1.6.1. It is therefore necessary that the student gets a prior clearance regarding the type of mandatory courses required, from the college Head(s) of Department(s) in which he/she hopes to major in.
 - 5.10.1.6.2. The onus of fulfilling these requirements lies with the student. The Department will conduct an evaluation of the Course-work done by the student in the other academic institution, prior to accepting the concerned Courses into the academic programme of the College.

5.10.2. Transfer of Credits to the Honours Programme (HP)

- 5.10.2.1. Students doing short term academic courses in India or abroad can apply to count them as Interdisciplinary Transfer Credits for the HP.
- 5.10.2.2. The CIP can assist the HP Coordinator in determining whether one or two credits can be given for a foreign programme.
- 5.10.2.3. A Department can offer a HP Credit for the faculty-guided work done within ambit of the subject, either within college or in some other institutions during the breaks between semesters.

5.11. LETTERS OF RECOMMENDATION (LoR) BY COLLEGE DEPARTMENTS

5. ACADEMIC GUIDELINES UNDER AUTONOMY

- 5.11.1. This set of instructions applies only to LoRs (hard or soft copies) that are being used for admission into Universities for further studies.
- 5.11.2. Students who need such LoRs are required to fill in an Application Form which is available with the concerned Department from where the LoR is solicited.
- 5.11.3. A Processing Fee of Rs. 500 / Application / University / Recommending Teacher would have to be paid, prior to starting the LoR process. The fees thus collected will be directed towards that Department's Improvement Fund. For more detailed instructions, please approach the concerned Teacher in the Department.
- 5.11.4. Economically disadvantaged students, who find it difficult to pay the LoR Fees, can approach the Principal for financial assistance through the SBF.

5.12. PARENTS' COLLABORATION

- 5.12.1. Parents can make inquiries about their child's attendance and performance either:
 - 5.12.1.1. At the General Office or the concerned Department(s).
 - 5.12.1.2. Through the college website: **www.xaviers.edu**. (Click on 'Parent Login', current Class serves as Username and the student's UID No. as Password).
- 5.12.2. If a student takes ill suddenly during college hours, preliminary first aid will be administered by the College. However, it is advisable that the Parent / Guardian come personally to the College to take their child / ward home for further medical treatment.
- 5.12.3. In case a student suffers from a chronic medical condition (either physical / mental), self-disclosure (with supporting medical documents) by the parents would help the College in administering the appropriate medical assistance, in case of an emergency.
 - 5.12.3.1. Parents are advised to promptly bring such medical details to the attention of the Teacher-Mentor / concerned Vice-Principal.
 - 5.12.3.2. Confidentiality, of both the student as well as the nature of the illness, is assured.
- 5.12.4. A student suffering from a contagious illness should not come to college (for lectures / tests / exams), as it puts other students at risk.
 - 5.12.4.1. A medical letter will have to be submitted by the Parents / Guardian to the Principal reporting the illness so that the absence of the student is noted.
 - 5.12.4.2. Such a student will be allowed to return to college if and only if a 'Fitness Certificate' issued by a Medical Practitioner is submitted to the Principal.
 - 5.12.4.3. Action will be taken against students who flout Rules 5.12.4.1 and 5.12.4.2.
- 5.12.5. The College will attempt to notify Parents of debarred students via postal mail and email prior to the commencement of the examinations.
- 5.12.6. Parents, of debarred students, can discuss this matter with the concerned Vice-Principal or through a letter to the Principal.

5. ACADEMIC GUIDELINES UNDER AUTONOMY

5.13. ADDENDUM

- 5.13.1.** Wherever an issue has not been covered by these Autonomy Rules and Guidelines of the College, the Rules and Statutes of the University of Mumbai would apply, as long as the latter does not go against the spirit of the College Autonomy arrangements.
- 5.13.2.** Under the CoVID-19 situation, all ordinances are subject to change based on directives issued by Government of Maharashtra and the local governmental authorities, including the University of Mumbai, to which this college is affiliated.

6.2.1. F.Y.B.Sc.: A student shall offer any one of the course combinations available in the FYBSc, with three Subjects and two Special Courses.

6.2.1.1. Only students who have Biology as a subject in Std. XII may opt for combinations 1 to 6 (refer Table 6.2, FYBSc).

6.2.1.2. Only students who have Mathematics as a subject at HSC (from Science stream only) or other qualifying exam in Science may opt for combinations with Mathematics, Statistics or Physics.

6. UNDERGRADUATE (AIDED) COURSES: B.A., B.Sc., B.Com.

6.2.1.3. Change of subjects will be allowed till a week after College begins, subject to availability of seats.

6.2.2. S.Y.B.Sc.: The choice of subjects will be approved only at the end of the Semester II by the college in consultation with the Heads of the concerned departments based entirely on merit (total of concerned subject marks across the preceding 2 semesters) and the availability of seats.

6.2.3. T.Y.B.Sc.: Table 6.2 lists the subjects offered at the TYBSc:

6.2.3.1. Single Majors: Physics, Chemistry, Maths, Statistics, Life Sciences and Geology.

6.2.3.2. Double Majors: Botany, Biochemistry, Life Science, Microbiology & Zoology, provided that the subject has been offered at the SYBSc level.

6.2.3.3. The choice of major subject/s will be approved only at the end of the Semester IV by the HoDs of the concerned subjects based entirely on merit (total marks of 4 semesters of the concerned subject) and availability of seats.

6.3. BACHELOR OF COMMERCE (B.Com.)

6.3.1. Decree 4 of the 32nd General Congregation (1975) of the Society of Jesus made a clear option for the poor. Keeping this in mind the Bombay Province of the Society of Jesus began the Commerce Section in St. Xavier's College in 1988. The primary aim of the Commerce Section has always been to cater to the poorest of the poor. This was why its lectures were scheduled in the evenings, when those who were economically poor and had to work during the day to earn a living and sustain their families, could attend College. In the 33 years since its inception, the Commerce Section has been able to stick to this rationale and has grown from one class and one division in 1988 to 2 divisions each of First, Second and Third year. Girl students are granted admission even if they are not working since the girl child is already at a disadvantage when compared with the male child.

7. UNDERGRADUATE (SELF-FINANCED) COURSES

B.M.S., B.A. (M.C.J.) & B.Sc. (I.T.)

7.1. BACHELOR OF MANAGEMENT STUDIES (B.M.S.)

7.1.1. Introduction: The BMS programme at St. Xavier's College, Mumbai was started in the Academic Year 2001-02 as a self-financed 3-year undergraduate program affiliated to the University of Mumbai. The aim has always been to foster the spirit of entrepreneurship among young minds and to also develop middle-level managerial skills for industry. As an Autonomous College since 2010, the BMS curriculum has been critically upgraded to bridge the industry-academia gap by including relevant courses in the fields of Finance, Marketing, Human Resources and Production. The teaching – learning process follows a blend of assignments, case studies and projects so as to equip the students with the requirements of the industry and to also instill in them the confidence to start their own venture. Through the campus placement process, the students are placed in some of the top ranking Consulting firms, Banks, FMCG companies and Media companies immediately after the course. The alumni of the Department are not only placed in top positions in organizations across the globe but many of them have also started and sustained their own ventures and businesses that nurture inclusive growth through social entrepreneurship for the benefit of the society.

7.1.2. Number of students: 120 students (w.e.f. August 2021).

7.1.3. Eligibility: A candidate in order to be eligible for admission to the B.M.S. degree programme shall have passed the 12th Std. Examination conducted by the Maharashtra State Board of Higher Secondary Education or its equivalent examination or Diploma in any Engineering branch with at least 2 years duration after passing the Secondary School Certificate (S.S.C.) examination conducted by the Board of Technical Education, Maharashtra State or equivalent examination.

7.1.4. Eligibility Certificate: Refer Section 4.3, page 28

7.1.5. Admission Criteria: For the BMS Programme, unlike other programmes, the students come from all 3 faculties (Arts, Science & Commerce) where the marking systems are very different. Hence an entrance test for this programme is conducted for admission purposes. Admissions are on the basis of the Entrance Test (refer 4.1.2. & 4.1.6. page 25). Also refer 4.1.10, page 26 and Table 4.1.9 (B), page 27

7.1.6. Minimum Requirement of Marks in Qualifying Exams

M.Sc. in: Botany / Geology / Life Science / Microbiology

8.1. M.Sc. Programme: An Overview

- 8.1.1. Admissions to the M.Sc. programmes begin in the last week of May and will close only after the declaration of the B.Sc. Degree results of the University of Mumbai sometime in the second or third week of June. If the Mumbai University semester VI results are not declared, admissions will be based on the semester V marks obtained.
- 8.1.2. The College has introduced an ONLINE application system for the above mentioned First Year Post-Graduate M.Sc. Part - I Programmes. All candidates applying for admission are expected to apply through the online application system on the homepage of the website www.xaviers.edu. Students are expected to post a copy of their mark-sheets from Sem I – Sem VI along with the Application Form generated on-line to the college. The Online Application fee is Rs. 500 and it is to be paid by demand draft in favour of 'St. Xavier's College, Mumbai', payable in Mumbai.
- 8.1.3. The last date for submission of online application forms for admission to the College and dates for display of merit lists will be put up on the "homepage" of the college website after the declaration of the B.Sc. Degree results of Mumbai University.
- 8.1.4. At the time of admission the candidate must submit the following documents.
 - 8.1.6.1. Degree Marksheets & Pass Certificate (Original + 2 attested copies)
 - 8.1.6.2. Baptism Certificate (for Christians)
 - 8.1.6.3. Caste Admissions to the above courses will begin only after the declaration of the B.Sc. Degree results of the University of Mumbai.
- 8.1.5. Students are **selected for all the M.Sc. courses** covered in this Section of the handbook on the basis of the marks / grades secured at the qualifying UG examination.
- 8.1.6. Students passing the B.Sc. Degree from Universities other than Mumbai University and seeking admissions to First Year M.Sc. Courses are required to apply for a **Provisional Eligibility Certificate (EC)** through the College at the time of admission. The EC Application Form, available at the College Office, should be duly filled and submitted with an attested copy of the B.Sc. Degree marksheet and a passport size photograph along with the prescribed fees of Rs.320 &

Rs.500 (for verification of documents) to the College Office. Once admission is granted, for confirmation of the eligibility, students should submit to the College Office, within the First Semester, the Passing Certificate & the Migration Certificate (both in originals).

- 8.1.7.** Students passing the Degree Examinations from Mumbai University will be required to submit the **Transfer Certificate** issued by their respective Colleges. This needs to be submitted after completion of the admissions process to the College.
- 8.1.8.** Students passing the B.Sc. Degree from Universities other than Mumbai Certificate (for Reserved Category) or Documentary Evidence regarding Special Category (Refer Section 8.1.12, page 76).
- 8.1.9. Total No. of Seats for:** Aided Courses: 20 seats per year each **Botany, Geology, Life Science and Microbiology**. Self-Financed Courses: 30 seats for **Biotechnology**; 40 seats for **Big Data Analytics** and 20 seats for **Physics (Astrophysics)**
- 8.1.10. Fees (for Aided M.Sc. only):** Includes Deposit and Laboratory Fees, as sanctioned by the Board of Management, St. Xavier's College (Autonomous): M.Sc. Part I :Rs.9,888 (approx.) & M.Sc. Part II :Rs.9,105 (approx.)
- 8.1.11. Reservation of Seats:** Refer Table 8.1.11 on page 76

8.2. M.Sc. DEGREE IN BOTANY

8.2.1. Introduction

Botany is a discipline of the Biological Sciences and specifically the Science of Plant Life. The field of Botany covers a wide range of scientific disciplines including structure, growth, reproduction, physiology, metabolism, development, diseases, chemical properties, classification and evolutionary relationships among the taxonomic groups of plants. Botany began with early human efforts to identify edible, medicinal and poisonous plants, making it one of the oldest branches of science. The study of plants is vital because they are a fundamental part of life on earth, and generate the oxygen and food that allow humans and other organisms to exist. India is rich in Biodiversity of plants and other biological organisms. It is a source of our food, medicine and many other requirements of life. Biodiversity is one of the important areas to be studied and understood.

In order to cater to this need, the Botany Department of St. Xavier's College (Autonomous) offers the M.Sc. degree in Botany under its Autonomous system which allows us to

design our own syllabi and our own evaluation system. The degree is awarded by the University of Mumbai.

8.2.2. Eligibility Criteria

8.2.2.1. A candidate for being eligible for admission to the M.Sc. Degree in Botany should have passed the B.Sc. (Three year integrated course) degree examination of the University of Mumbai with at least seven units (i.e. minimum required for majoring in a subject) in Botany **or** B.Sc. Botany from any other University recognized as equivalent thereto.

8.2.2.2. For Eligibility / Transfer / Migration Certificates: Refer 8.1.5 to 8.1.9., page 75. For Reservation Criteria: Refer 8.1.11; page 76.

8.2.3. List Of Courses / Specializations

St. Xavier's College (Autonomous), Mumbai offers the M.Sc. Degree in Botany in one specialization, viz., Angiosperm Taxonomy.

A Research Project in the Semester IV will be a compulsory requirement.

8.2.6. Facilities in the Department

The Botany Department of St. Xavier's College is the only department in the entire University of Mumbai having the Blatter Herbarium with its collection of 200,000 herbarium specimens which includes a major collection of Angiosperm. In addition it also holds a collection of algae, fungi and Gymnosperms. The Herbarium also has a well-stocked attached library having 5000 volumes of Angiosperm Taxonomy related books, and various national and international research journals. The department also offers the Ph.D. Programme in Angiosperm Taxonomy. We have two newly developed, well equipped, multimedia enabled dedicated postgraduate labs for the M.Sc. Programme. A central Instrumentation facility (CIF Lab) provides access to a number of advanced and newly acquired instruments required for practicals.

8.2.7. Other Activities of this Programme

The Course is aimed at training the PG students for research. Students have to give regular seminars in the

subject. Field trips accompanied by qualified and experienced teachers along with Ph.D. students.

8.3. M.Sc. DEGREE IN GEOLOGY:

8.3.1. Introduction: This is a two year Geology course which covers all the major aspects of this discipline. This course is affiliated to and recognized by the University of Mumbai. Students can also add a certain specialization to their M.Sc. studies as they have to undertake a dissertation (research project). In contemporary times, Geologists are increasingly in demand to study and evaluate geologic hazards and natural resources such as oil and gas. The Placement Cell of the College helps in connecting our students with such employment avenues.

8.3.2. Eligibility Criteria

8.3.2.1. Graduates with a degree from a recognized University / College with major subject as Geology (at least 50% of the total credits earned or equivalent in marks, should be in Geology) can apply.

8.3.2.2. For Eligibility / Transfer / Migration Certificates: Refer 8.1.5 to 8.1.9 page 75. For Reservation Criteria: Refer: 8.1.11; page 76.

8.3.3. List of Courses

The courses offered at the post graduate program (four semesters) in Geology have been designed by keeping the present day industry requirements in mind. A dissertation in the final semester is aimed at exposing the learner to present day trends of research in the subject.

8.3.6.1. Continuous Internal Assessment - 50 %

8.3.6.2. End Semester Examination – 50 %

8.3.7. Integrated Fieldwork

There are mandatory two weeks of field work at the end of the first semester. The field areas are specifically chosen so as to offer a rich learning experience through exercises in detailed geological mapping, sample collection, analysis of satellite imageries of the study area and actual large scale mapping. The aim of this field training is to initiate the student into learning techniques which will be useful for his / her dissertation during the fourth semester. It will also help the student during his / her professional career as a Geologist.

8.3.8. Facilities in the Department

8.3.8.1. Along with the standard laboratory equipment for Earth Sciences, the Department has research grade petrological microscopes and student petrological microscopes. The rock and mineral section cutting unit is well equipped with machines and trained manpower for preparing rock and mineral thin sections. Five microscopes are procured for ore-microscopy studies. For sedimentology work, a sieve shaker with standard set of sieves and good binocular zoom microscopes are available. Ground water exploration work is done using the Electrical Resistivity and Sounding system. The department has licensed software for the GIS and Remote Sensing work. Modern surveying equipment such as GPS, Theodolite, Auto Level along with all accessories is available for detailed field mapping.

8.3.8.2. Over the span of about 90 years, the Department has accumulated a formidable collection of rocks and mineral specimens from around the world. A well-stocked rock thin section library is also present. Topographical maps covering almost the entire country are available in digital form and also in print along with

digital satellite imageries of large parts of the country. The Department has a UV lamp for mineral exploration. In addition, the department has acquired new equipment like Total station, GPS, Ground water resistivity (low frequency), Petrothin sectioning system for petrographic thin sections and a drone for aerial photography. Facilities for wet and dry chemical analysis of rocks and standard equipment for measuring load bearing capacity of rocks (unconfined compressive strength) is available. The centralized library has some of the latest publications in Earth Sciences and allied fields and is also supported by the online N-List (INFLIBNET) and a considerable collection of reference books in the departmental and faculty library. Learners are also encouraged to participate in summer and winter internships, for which, placement assistance is provided.

8.4. M.Sc. DEGREE IN LIFE SCIENCE

8.4.1. MSc. (By Papers) Life Science with a specialization in Applied Medical Science

The Department of Life Science started the M.Sc. course in 1980. It offers two post-graduate programmes.

- 8.4.1.1.** Life Science is a vast subject that is structured to engage a student in multiple avenues of biology. The applied sciences draw from the fundamentals that are taught in the programme and focus attention on the medical field. This acts as a launch pad for careers in diverse fields, ranging from a purely academic endeavour such as research and teaching to entrepreneurship, law, science writing, etc. The programme is designed to strengthen and enhance a student's understanding and knowledge of Biology by exposure to several fields such as Cell Biology, Physiology, Genetics, Immunology, Microbiology etc., in mainstream biology and allied fields such as Biochemistry, Biostatistics, Pharmacology, Cancer and Stem cell biology and Bioinformatics.

8. POSTGRADUATE SCIENCE (AIDED) COURSES

M.Sc. in: Botany / Geology / Life Science / Microbiology

8.4.1.2. The programme will be conducted by the eleven faculty of the department using a blended learning approach which includes classical classroom teaching, self-study, experiential learning, seminars, presentations, field visits, etc. As part of their training, students will have an opportunity to work on a research project in the second year and submit a dissertation / reports on it. The students are also strongly encouraged to complete summer internships to complement the programme.

8.4.2. MSc. (By Research) in Life Science

There are two research guides for a PG programme in the department. Interested candidates may approach the department for further details.

8.4.2.1. Eligibility Criteria

8.4.2.1.1. Graduates in Botany, Biochemistry, Biotechnology, Life Science, Microbiology, Zoology from the University of Mumbai are all eligible.

8.4.2.1.2. Graduates in any of the above-mentioned disciplines from other Universities are also eligible, but will have to fulfil 8.4.2.1.3. on page 82.

8.4.2.1.3. For Eligibility / Transfer / Migration Certificates: Refer 8.1.5 to 8.1.9, page 75. For Reservation Criteria: Refer 8.1.11, page 76

8.4.2.2. Process of Selection: Applicants will be selected on the basis of the TYBSc marks / grades.

- 8.4.6.3. **Other activities for this course:** Annual Seminars / Conferences / Internships / Industrial Visits / Guest Speakers.

8.5. M.Sc. DEGREE IN MICROBIOLOGY

8.5.1. **Introduction:** The Department of Microbiology, St. Xavier's College, is the oldest Microbiology Department in the country (over eighty years old). Microbiology, one of the three classical disciplines in the Biological Sciences is an extremely diverse and complex field. A constantly changing and advancing science it has spawned the evolution of modern scientific disciplines like microbial biotechnology, genetic engineering, immunology, molecular biology, genomics and solve many challenges in health, energy, environment, etc. This 2-year, 4-semester autonomous credit-based M.Sc. programme is affiliated to the University of Mumbai. The course is designed to provide students with training and research experience that will prepare them for a wide range of careers in pure and applied sciences.

8.5.2. Eligibility Criteria

- 8.5.2.1. A candidate for being eligible for admission to the M.Sc. Degree in Microbiology should have passed the B.Sc. (Three year integrated course) degree examination of the University of Mumbai with at least 14 theory courses and 6 practical courses (i.e. minimum required for majoring in a subject) in Microbiology **OR** B.Sc. Microbiology from any other University.

8.2.1. Facilities of the Department

8.2.1.1. It is well equipped for teaching Modern Microbiology.

8.2.1.2. It has a well-equipped research laboratory called 'Palacios Research Lab'.

8. POSTGRADUATE SCIENCE (AIDED) COURSES

M.Sc. in: Botany / Geology / Life Science / Microbiology

- 8.2.1.3.** It has access to a Common Instrumentation Facility with sophisticated instruments to carry out teaching, as well as research, in the biological sciences. It also has an in-house Library.
- 8.2.1.4.** It conducts co-curricular activities like an Annual Khandala Seminar, Industrial visits.

9. POSTGRADUATE ARTS(AIDED) COURSE

ANCIENT INDIAN HISTORY, CULTURE & ARCHAEOLOGY

9.1. M.A. DEGREE IN ANCIENT INDIAN HISTORY, CULTURE & ARCHAEOLOGY

9.1.1. Introduction: In an endeavor to further the holistic understanding of Ancient Indian Culture in all its parameters, this course provides a sound grounding in understanding the various vistas of our history and culture. It helps in promoting the conservation of our heritage and also helps in heritage management. It opens the door to opportunities in the streams of Archaeology, Museology, Conservation, Social Sciences and Humanities. This course aims at helping students to:

9.1.1.1. Comprehend the theoretical framework in which to study Indian Culture, Indian Archaeology and Museology.

9.1.1.2. Work with Indian Archaeological data and analyses.

9.1.1.3. Have practical experience via field trips, practical and workshops.

9.1.2. Number of Seats: 60 Seats

9.1.3. Reservation of Seats: Refer Table 8.1.11 on page 76

9.1.4. Fees: Total fees, sanctioned by the Board of Management, St. Xavier's

College (Autonomous), Mumbai are:

M.A. Part I: Rs. 32,695

M.A. Part II: Rs. 32,095

9.1.5. Selection Criteria: An Entrance Exam is held for students other than Arts and for students from other universities.

9.1.6. Eligibility Criteria

9.1.6.1. Students with a Bachelor's Degree in any faculty or discipline, with a minimum of 50% marks can apply.

9.1.6.2. Students from the non-Arts faculties will have to appear for an entrance exam and an interview.

9.1.6.3. For Eligibility / Transfer / Migration Certificates: Refer 8.1.5 to 8.1.9 on page 75. (Note: Read B.Sc. as B.A. and M.Sc. as M.A.)

9.1.7. Scheme of Evaluation:

9.1.7.1. Two units of CIAs:

9.1.7.1.1. CIA 1 (25 marks) will be a Class Test.

9.1.7.1.2. CIA 2 (25 Marks) will be either a Home Assignment, Class Test, Project Report, Oral Exam (for Language Papers), Field Visit Report, Paper Presentation, etc.

9.1.7.2. The ESE will be for 50 marks.

9. POSTGRADUATE ARTS(AIDED) COURSE

ANCIENT INDIAN HISTORY, CULTURE & ARCHAEOLOGY

9.1.7.3. Semester X a Research Thesis will have to be submitted under the guidance of a Research Guide for 80 marks.

9.1.8. Syllabi per Semester

10. POSTGRADUATE SCIENCE (SELF-FINANCED) M.Sc. COURSES

10.1. M.Sc. in BIG DATA ANALYTICS

10.1.1. Introduction: Data today is treated as a source of energy, in any venture, as they point out to our yesterdays, our current status and future areas of improvement. An individual can be a 'modern day Oracle' if he / she who can interpret data, with the right kind of analysis. This Course, an initiative of Tata Consultancy Services (TCS), has helped in shaping the talent in data analysis for the seamless mutual benefits in the spheres of academics and industry. The curriculum for Big Data Analytics has been developed by Padma Shri Dr. Bimal Roy, former Director, Indian Statistical Institute has developed. The course work comprises Statistical Methods, Probability & Stochastic Process, Linear Algebra & Linear Programming, Computing for Data Sciences, Machine Learning and Database Management. St Xavier's College (Autonomous), Mumbai, will be conducting the full time (4-semester; 96 Credit) M.Sc. in Big data analytics in collaboration with TCS. The main objective of this program is to develop the skill of Big data analytics and data analytics so that students will be placed as data scientists or big data analysts in IT industry. Lectures will be held from Monday to Saturday.

10.1.2. Number of seats: The intake is a maximum of 40 students per year.

10.1.3. Reservation of Seats: Refer Table 8.1.11 on page 76

10.1.4. Selection Process: Admission will be on the basis of the C.G.P.A or aggregate marks secured at the T.Y.B.Sc. examination. Applications for the course will be available Online. There will be an entrance examination from the academic year 2020-21. College reserves the right to make any changes in the admission policy before the process starts.

10.1.5. Eligibility Criteria

10.1.5.1. A student who has completed or is appearing for semester VI in B.Sc. (Maths), B.Sc.(Statistics), B.C.A , B.Sc.(Information Technology), B.Sc. (Computer Science), B.Sc.(Physics) in the academic year 2020-2021, from any recognized university from India. A student who has completed or is appearing for semester VIII in B.E.(Electronics / Computer Science) in the academic year 2020-2021 from any recognized university from India. It is mandatory that all students should have done Calculus and Linear Algebra course during their graduation. B.Sc. (Physics) - students who have done Physics as a major subject and Mathematics or Statistics as a second subject (up to second year) during their graduation.

10. POSTGRADUATE SCIENCE (SELF-FINANCED) M.Sc. COURSES

10.1.5.2. Admission will be based on 50% weightage to the score obtained in the entrance test and 50% weightage to the marks obtained in Semester V.

10.1.5.3. For Eligibility / Transfer / Migration Certificates: Refer 8.1.5 to 8.1.9. on page 75.

10.1.6. Fee Structure: As sanctioned by the Board of Management, St. Xavier's College, the fees is Rs. 80,319/- (M.Sc. Part 1) & Rs. 81,930/- (M.Sc. Part 2).

10.1.7. Syllabus per Semester:

10.1.8. Scheme of Evaluation: First three semesters has: 2 CIAs (25 marks each) and an End Semester Examination (50 marks)

10.2. M.Sc. IN BIOTECHNOLOGY

10.2.1. Introduction: Genetic engineering has revolutionized biotechnology in the past three decades. India has witnessed a rapid growth in the biotechnology sector with a prominent presence in Recombinant Vaccines, Biosimilars and Transgenic Cotton. With numerous comparative advantages in terms of research development (R & D) facilities, knowledge, skills and cost effectiveness, the biotechnology industry in India has immense potential to emerge as a global key player. To cater to this increasing need for trained professionals, The College began the MSc - Biotechnology programme affiliated to the University of Mumbai from the academic year 2007-08.

10.2.2. Number of Seats: 30 students per year.

10. POSTGRADUATE SCIENCE (SELF-FINANCED) M.Sc. COURSES

10.2.3. Reservation of Seats: Refer Table 8.1.11 on page 76

10.2.4. Selection Process: Admission to the course will be purely merit based in accordance with the marks obtained in Biotechnology at the T.Y.B.Sc. examination. Applications for the course will be available Online.

10.2.5. Eligibility Criteria

10.2.5.1. B.Sc. Biotechnology (3 - year integrated course) degree examination of University of Mumbai or any other University recognized as equivalent thereto, with at least 6 units in Biotech (i.e. minimum required for majoring in the subject) **OR** With three units in Biotechnology at the T.Y.B.Sc in combination with three units of any other major subject at the T.Y.B.Sc.

10.2.5.2. For Eligibility / Transfer / Migration Certificates: Refer 8.1.6 to 8.1.8. on page 75.

10.2.6. Fees: The total fees, including deposit and laboratory fees, as sanctioned by the Board of Management, St. Xavier's College (Autonomous):

M.Sc. Part I : Rs.48,951

M.Sc. Part II : Rs.47,112

10.2.7. Syllabi per Semester

Semester I to III comprises of 4 theory courses (100 marks each) and practical courses (50 marks each). Semester III also includes an internal project. Semester IV comprises of 2 theory papers (100 marks each), 2 practical courses (50 marks) and research project (300 marks)

10.2.10. Scheme of Evaluation

10.2.10.1. Theory Courses: 2 CIAs and 1 ESE per course per semester.

10.2.10.2. Practical Courses: 1 CIA and 1 ESE per course per semester.

10.2.10.3. Evaluation of the semester IV project is based on the dissertation submitted, a presentation and **viva-voce**.

10. POSTGRADUATE SCIENCE (SELF-FINANCED) M.Sc. COURSES

10.2.11. Facilities of the Department

- 10.2.11.1. It is well equipped for teaching Modern Biology. It has an independent Bioinformatics Lab for the students and an in-house Library facility.
- 10.2.11.2. It has access to the Common Instrumentation Facility with sophisticated instruments to carry out teaching, as well as research, in the biological sciences.
- 10.2.11.3. It has a Department library.

10.2.12. Extracurricular Activities

- 10.2.12.1. **Palindrome:** Students organize an intercollegiate fest, 'Palindrome' to explore the various facets of Biotechnology through workshops and events. They also publish the Department Magazine, 'Palindrome', which is a theme-based collation of articles, reviews and research abstracts.
- 10.2.12.2. An **Industrial Visit** is organized to various Biotechnology related industries locally or Interstate for Semester I students.

10.3. M.Sc. IN PHYSICS (ASTROPHYSICS)

10.3.1. Introduction: Astronomy and Astrophysics has always attracted physics students. There have been tremendous discoveries in recent years which have changed our understanding of the universe. This has been possible due to ingenious use of information technology and use of satellites for astronomical observations among other developments. With numerous advantages in terms of geographical position on the earth, many research institutes, knowledge, skills and cost effectiveness, Astronomy and Astrophysics in India has immense potential to emerge as a global key player. In Mumbai there are many amateur astronomy clubs, but no educational institute offers a Master's course at present. To cater to this increasing need for trained professionals, St. Xavier's College (Autonomous), Mumbai, has started the MSc in Physics (with specialization Astrophysics) programme affiliated to the University of Mumbai from the academic year 2019-20.

10.3.2. Number of Seats: 20 students per year.

10.3.3. Reservation of Seats: Refer 8.1.11, page 76.

10.3.4. Selection Process: Admission will be on the basis of the C.G.P.A or aggregate marks secured at the T.Y.B.Sc. examination. Applications for the course will be available Online. There will be an entrance examination from the academic year 2020-21. College reserves the right to make any changes in the admission policy before the process starts.

10. POSTGRADUATE SCIENCE (SELF-FINANCED) M.Sc. COURSES

10.3.5. Eligibility Criteria

10.3.5.1. Bachelor's degree in science with Physics as one of the major subjects at the final year or equivalent from any recognized university.

10.3.5.2. For Eligibility / Transfer / Migration Certificates: Refer 8.1.6 to 8.1.8. on page 75.

10.3.6. Fees: As sanctioned by the Board of Management, St. Xavier's College:
M.Sc. Part I: Rs. 76,938/- and M.Sc. Part II : Rs. 77,613/-

10.3.7. Syllabi per Semester

10.3.7.1. There will be eight general physics and four astrophysics theory courses (100 marks each) and laboratory courses corresponding to each of them (50 marks each) in the first three semesters. Students will work on a MSc Thesis or dissertation in the last semester which will be from any Physics or Astrophysics area. For this project work, students can go to several research institutes in the country or can work under the guidance of the in-house faculty. Semester wise Credit distribution is shown below:

Semester I

Course Code	Course Title	L/W	No. of Credits
SPHY0701	Mathematical Methods	4	4
SPHY0702	Classical Mechanics	4	4
SPHY0703	Quantum Mechanics	4	4

10.3.8. Scheme of Evaluation

10.3.8.1. For theory courses (per course per semester): CIA (50 Marks) - written test + assignment + review of research article and End Semester Examination (50 Marks) written test.

10.3.8.2. Practical Courses (per course per semester): Experiment based exam, project evaluation (includes exhibit, presentation in seminar PROBE), field trip (includes night sky observation).

10.3.8.3. Evaluation of the Semester IV Dissertation

Time of Evaluation	Components of Assessment	Average Marks out of 100 evaluated by	Weightage in Total Marks
Throughout Semester X	The Thesis Proposal	Supervisor	15%
	Mid semester Report and Presentation	Referees + Supervisor (Average)	20%
	Continuous evaluation for semester IV and thesis	Supervisor	15%

10. POSTGRADUATE SCIENCE (SELF-FINANCED) M.Sc. COURSES

End of Semester X	MSc Thesis	Referees (Average)	20%
	Defence and viva voce	Discipline wise Committee	30%

10.3.9. Teaching Pedagogy of the Department

- 10.3.9.1.** Emphasis on problem solving in theory - universal practice for physics, useful for entrance exams.
- 10.3.9.2.** Zero rote learning - for the written exams
- 10.3.9.3.** Practical course - experiments directly related to the theory course
- 10.3.9.4.** Project based learning - The course-wise projects train students to understand, plan and carry out an experiment on their own. Also enhances their interest and understanding of the theory course.
- 10.3.9.5.** This training is very useful for starting independent research – The final semester project is expected to be their MSc thesis containing good quality as well as quantity of work. A strong experimental, computational, or theoretical physics content is a must for this work.
- 10.3.9.6.** Students should decide on their supervisor and their thesis topic (in consultation with the supervisor) before the semester starts. A student can choose to work with a faculty of the department or a professor from a research institute/university other than Xavier's for his/her dissertation. Every student will follow the General Guidelines provided for the same.
- 10.3.9.7.** Students will be encouraged to take up internships in the summer between 1st and 2nd year.

10.3.10. Resources of the Department

- 10.3.10.1.** Large Labs: There are 5 labs to cater to various research needs.
- 10.3.10.2.** Computer Lab: There is a dedicated computer lab integrated with the Physics lab to take care of the computing needs of our students.
- 10.3.10.3.** Department Library: We have a small department library for the referencing needs of our students.
- 10.3.10.4.** Sophisticated Equipment: We have high-end equipment such as Hall effect apparatus, Photoelectric effect apparatus, Zeeman effect apparatus and a six inch Telescope with auto tracking for night sky observations.
- 10.3.10.5.** Dedicated Lab Staff: We have a well-trained and dedicated lab staff to help our students.

10.3.11. Co-curricular Activities of the Department

- 10.3.11.1.** The Department organizes an exhibition of physics' experiments called 'Jigyasa', to show case 'possibilities in Physics' in August.

10. POSTGRADUATE SCIENCE (SELF-FINANCED) M.Sc. COURSES

- 10.3.11.2.** A research seminar 'PROBE' is organized in February every year, where students present their projects as research papers through oral / poster presentations.
- 10.3.11.3.** Students will be taken for a field trip to visit some Astronomy / Astrophysics research institute.

11. POSTGRADUATE ARTS (SELF-FINANCED) M.A. COURSE

11.1. M.A. IN PUBLIC POLICY

11.1.1. Introduction: As public policy is an integral aspect of governance and routine living, it is necessary for the academic world to critically engage with it. Currently, in India, there is a dearth of post-graduate degree courses in public policy. It is for these reasons that the College launched a multi-disciplinary Master in Public Policy (MPP) Course in 2013. The course is ideal for Civil Servants, NGO/Development practitioners or those who aspire to join government services; those who aspire to research and publish in the field of Public Policy, especially those who wish to join policy research centres / organizations and those who wish to work in the field of Corporate Social Responsibility; Communications / Media related work around policy issues; consulting for Public Sector.

11.1.2. Number of Seats: 60 Students.

11.1.3. Lecture Timings: Evenings (5 pm to 8 pm); 2 lectures per day, on all working days of the week.

11.1.4. Fees

11.1.4.1. MPP I: Rs. 70,891/- & MPP II: Rs. 71,436/- per academic year respectively (Payable in 3 installments).

11.1.5. Reservation of Seats: Table 8.1.11 on page 76.

11.1.6. Selection Process

11.1.6.1. Online Application Forms available on College website from the second half of April. Last date for submission is the third Sunday of May (5 pm IST). The online Application Fee is Rs. 500.

11.1.6.2. Along with the Application Form, the academic exercises announced (as part of the Entrance Exams) for that academic year would have to be uploaded for evaluation.

11.1.6.3. The shortlisted candidates are interviewed (personally or through video-conferencing).

11.1.6.4. Post the interviews, the admissions are finalized.

11.1.7. Eligibility Criteria

11.1.7.1. Students with a Bachelor's Degree in any faculty or discipline, with a minimum of 50% marks can apply for this course.

11.1.7.2. Candidates who have appeared for their VI semester, but have not yet received their Degree results are eligible to apply for admission. Provisional admission would be offered to such admitted students, till the original results are not presented to the College.

11. POSTGRADUATE ARTS (SELF-FINANCED) M.A. COURSE

11.1.7.3. The Grades awarded by some Universities are converted to percentages according to a formula provided by their respective Universities or by the Association of Indian Universities, New Delhi for foreign students.

11.1.7.4. For Eligibility / Transfer / Migration Certificates: Refer 8.1.6 to 8.1.8. on page 75. (Note: Read B.Sc. as B.A. and M.Sc. as M.A.)

11.1.8. Syllabi per Semester:

Note: L = Contact Hours / Week and SS = Self-Study Hours / Week

11.1.9. Scheme of Evaluation: Each semester has: 2 CIAs (25 marks each) and 1 ESE (50 Marks)

11.1.9.1. Compulsory Internship between the II and III Semesters. Students work with organizations connected with various aspects of public policy.

11.1.9.2. Our students have interned with the Thane Municipal Corporation, Centre for Social Research (Delhi), various State and Central Government Ministries and NGOs involved in various types of social work and action.

11.2. M.A. IN PSYCHOLOGY: LIFESPAN COUNSELLING

11.2.1. Introduction: In India, the dearth of mental health professionals is a known concern that ironically goes hand-in-hand with the increasing number of citizens with mental health issues. One factor that contributes to this state of affairs is the lack of opportunities to gain a high quality education in the field of mental health. So as to contribute to bridging this gap, the Department of Psychology, St. Xavier's College (Autonomous) has started a new Master's degree course - M.A. Psychology: Lifespan Counseling in June 2019. This course has been designed with the primary objective of creating competent mental health practitioners.

11. POSTGRADUATE ARTS (SELF-FINANCED) M.A. COURSE

- 11.2.2. Number of seats:** The intake is a maximum of 30 students per year.
- 11.2.3. Reservation of seats:** Refer 4.1.10 on page 26 and Table 8.1.11 on page 76
- 11.2.4. Selection Process:** Admission to the course is merit-based. Eligible students must fill in the online application form and then appear for the entrance examination held on campus. A merit score is then assigned to every student that is weighted as follows: Their marks in the third year of their Bachelor's degree course (40%) + Their marks on the entrance examination (60%).
- 11.2.5. Eligibility Criteria:** Students with a Bachelor's degree in any faculty or discipline having studied at least one paper in Psychology during the three years of their undergraduate course can fill out the online application.
- 11.2.6. Fees:** As sanctioned by the Board of Management of St. Xavier's College (Autonomous), Mumbai: M.A. Part I: Rs. 85,681/- & M.A. Part II: Rs. 86,281/-

11.2.8. Credit Distribution: The course consists of 96 credits. Each credit equals 15 hours. The credit distribution across the course is as follows:

- 11.2.8.1.** Semester-wise: 21 credits (Semester I) + 25 credits (Semester II) + 25 credits (Semester III) + 25 credits (Semester IV)
- 11.2.8.2.** Theory to Fieldwork ratio: 64 credits (Theory) + 28 credits (Fieldwork) + 4 credits (Research)

11.2.9. Scheme of Evaluation

- 11.2.9.1.** For each theory paper, the evaluation weightage is divided as follows: 50% to CIA and 60% to End Semester Examinations (ESE).
- 11.2.9.2.** For fieldwork, evaluation is divided as 50% to case presentations (CIA), 50% to case file (ESE).
- 11.2.9.3.** For the research dissertation, evaluation is divided as one presentation to the expert panel per semester + report submission.

13. COLLEGE SHORT-TERM COURSES

13.1. PG DIPLOMA IN BIOINFORMATICS

13.1.1. Introduction: Bioinformatics has emerged as a field concerned with storage, manipulation, and extraction of valuable information from Contemporary Biology, intertwined with technology. Bioinformatics research is poised to become one of the fastest emerging markets in India. To cater to changing trends in biological science research and incorporation of machine learning, the Diploma in Bioinformatics, a one-year programme, aims to train the young mind with basics and advanced data analysis methods and tools in biological science. The course will be an advantage and asset for learners intending to be associated with industries as well as research and development in the field of Applied Biology.

13.1.2. Curriculum:

13.1.2.1. The sixty-five-credits course with 10 modules will be dealt with in regular theory, practical and project-based learning. The modules will be covered in 2 semesters of 3 - 4 months each.

13.1.2.2. Lectures and Practicals will be held (3 days/week - 3hours/day) - Online mode

13.1.2.3. Modules:

DBI01	Introduction To Bioinformatics	
DBI02	Biological Databases And Data Mining	(1 Credit)
DBI03	Analysis Of Biological Sequences	(4 Credits)
DBI04	Biostatistics And Bioinformatics	(10 Credits)
DBI05	Structural Bioinformatics	(6 Credits)
DBI06	Bioinformatics In Drug Designing	(8 credits)
DBI07	Omics In Biology	(8 Credits)
DBI08	Next Generation Sequencing Informatics	(10 Credits)
DB09	Coding For Biologists – Bioprogramming	(8 Credits)
DBI10	Project	(10 Credits)

13.1.2.4. Minimum 75% attendance, class participation, submission of regular assignment and expert guided method of evaluation are the minimum requirements for the completion of the course.

13.1.2.5. Duration: The course will start from August 2021 till April 2022.

13.1.2.6. Evaluation: At the end of every module, a written test / practical test or any other mode of evaluation depending on the needs and learning objective specified for the module, will be administered to the students. In addition, lab exercises and assignments submitted during the course will be evaluated. Completion of the guided project by the students on any of the modules and the presentation will also form a part of the evaluation.

13. COLLEGE SHORT-TERM COURSES

13.1.2.7. Eligibility Criteria

13.1.2.7.1. Students who have completed a Bachelor's Degree or Master's Degree in biological science streams.

13.1.2.7.2. Students who are currently pursuing M.Sc. I / II year in Biological Sciences (specialization in subjects of Biotechnology / Microbiology / Biochemistry / Life Science / Botany / Zoology) / BTech/MTech/B Pharm / MPharm

13.1.2.8. Course Fees: Rs 65,000/- (Payable in two instalments - at the point of admission and prior to December 2021)

13.1.2.9. Number of seats: 30 seats

13.1.2.10. Contact Person

13.1.2.10.1. Dr. Karuna Gokarn, HOD, PGDBT; karuna.gokarn@xaviers.edu; 9820590072.

13.1.2.10.2. Ms. Norine D'Souza, Faculty, PGDBT; norine.dsouza@xaviers.edu; 9819970529.

13.2. DIPLOMA COURSE IN CLINICAL RESEARCH

13.2.1. Introduction: Clinical research is a branch of healthcare science that determines the safety and effectiveness of medications, devices, diagnostic products and treatment regimens intended for human use. Clinical trials are conducted in a highly regulated and controlled environment and forms an integral part of the drug development process. Before a new drug is marketed, it has to be proven safe and efficacious, using controlled clinical trials. This course is designed to equip candidates with the knowledge and skills to pursue any of the following functions within the clinical research industry, viz., Clinical Operations, Data Management and Clinical Study Co-ordinator. The job opportunities for Clinical Operations (Clinical Trial Assistant / Clinical Research Associate) and Data Management exists within Pharmaceutical or Biotechnology companies as well as Contract Clinical Research Organizations (CROs). The job opportunities for Clinical Study Co-ordinators exists at Hospitals and Institutions conducting clinical research.

13.2.2. Curriculum: The course consists of 6 months of class-room training over 24 week-ends and four to six months of internship within the clinical research industry. The curriculum is has six modules:

Module 1: Clinical Research: Overview: Ethics, Guidelines & Regs. (11 credits)

Module 2: Clinical Trial Planning and Design

Module 3: Clinical Trial Conduct, Compliance and Quality Assurance (9 credits)

Module 4: Pharmacovigilance

Module 5: Data Analysis & Management in Clinical Research (10 credits)

Module 6: Clinical Research Management & Interpersonal Skills

(9 credits)

(4 credits)

(5 credits)

13. COLLEGE SHORT-TERM COURSES

The teaching methodology includes lectures by Industry Professionals, class-room discussions and debates, group assignments and case studies. The Data Analysis and Management Module includes hands-on training in Data Management activities. Evaluations are conducted by a combination of written tests, presentations and performance in class-room and home based assignments.

13.2.3. Course Eligibility

13.2.3.1. Students with a minimum of a bachelor's degree in any biological science will be eligible to apply for the course; however, students with a Master's Degree will be given preference.

13.2.3.2. A maximum of 25 students will be selected for each batch, based on their academic background and a screening interview.

13.2.4. Course Structure and Evaluation: The course will be conducted at the St. Xavier's College Campus and will comprise of:

13.2.4.1. 24 Weekend lectures; Saturday – 4 hours (2 pm to 6 pm); Sundays – 6 hours (9.00 am to 3.00 pm) for 24 credits.

13.2.4.2. Home assignments and assessments (10 hours per week); 24 credits over 24 weeks. 4 to 6 months' industry internship program / dissertation project; 64 to 96 credits.

13.2.4.3. Final assessment and Presentations: 8 credits.

13.2.4.4. All students from each batch will be recommended for internship positions to the clinical research industry for a period of 4 months. At the end of the internship, each student will be asked to submit a report and make a presentation to the group. Evaluation will be made based on the written test and the presentation, judged for its content & delivery.

13.2.5. Course Fees: Rs.1,22,000 consolidated (Inclusive of GST). This includes tuition fees, course materials & handouts, refreshments during lectures, video conferencing as applicable, and lecture room facilities.

13.2.6. Contact Details: Dr. (Ms.) Seema Das or College Website.

13.3. DIPLOMA IN FORENSIC SCIENCE AND CRIMINAL LAW

13.3.1. Conducted by: Dept. of Zoology and Forensic Science, St. Xavier's College (Autonomous), Mumbai.

13.3.2. About the Program: This course has been formulated with the aim to provide an introduction and orientation to the functioning of the Indian Criminal Justice delivery system, and the role of forensic science plays in this process. With the use of case studies, mock crime scene and various practicals, it gives the students the opportunity to hone in the basic skills necessary for investigation. This course is apt for all interested professionals from the fields of Police, Security, Legal Management, Media, Sociology as well as any citizen or student keen to learn more about forensic science and the law.

13. COLLEGE SHORT-TERM COURSES

13.3.3. Course Content:

1. Foundations of Criminal law, Crime Scenes & Crime Scene Processing
2. Investigation procedures – Crime Scene to Courtroom
3. Forensic Biology & Human Forensics
4. Medico-legal Investigations
5. Document Analysis
6. Cyber Forensics
7. Media and the Law
8. End of Year Project and Moot Court
9. Practicals

13.3.4. Duration: One academic year, Part Time.

13.3.5. Timings: Monday, Tuesday, Wednesday evenings.

13.3.6. Fees Structure: Rs. 27,200 (including registration).

13.4. ON-LINE CERTIFICATE COURSE IN FORENSIC SCIENCE

13.4.1. The objectives to make quality forensic education easily accessible by:

- 13.4.1.1.** Facilitating distance learning for students interested in forensic science, living in different parts of India, with limited funds.
- 13.4.1.2.** Providing students interested in careers in forensic science a basic understanding of crime scene related forensic science practice, while they are studying other subjects at the graduate / post graduate level.
- 13.4.1.3.** Familiarizing law enforcement professionals and law students with a basic understanding of forensic sciences, while allowing them the flexibility of a non-classroom teaching mode.

13.4.2. Course Content

1. An Introduction to Forensic Science
2. Ethics and Research Methods
3. Understanding the Indian Police and Legal System
4. Crime Scene Processing & Investigation Techniques
5. Forensic Instrumentation Techniques & Applications
6. Impression Evidence
7. Biological Evidence - Types, Handling & Analysis
8. Medical Jurisprudence
9. Role of Forensic Science in Counter-Terrorism
10. Emerging Trends in Forensic Science

13. COLLEGE SHORT-TERM COURSES

13.4.3. Eligibility Criteria: Minimum HSC certificate or equivalent.

13.4.4. Duration: 6 Months (twice a year)

13.4.5. Fees : Course Fees: Rs. 15,000/- Demand Draft, drawn in favour of:

The Bombay St. Xavier's College Society (*Online Payment also available*)

- 13.6.4. Fees:** Rs. 10,000 + GST
- 13.6.5. Contact Details:** Dr. Pravin Henriques or College Website.

13.7. CERTIFICATE COURSE IN PLANTSMANSHIP WITH BASIC GARDEN HARDSCAPING MATERIALS AND TOOLS

- 13.7.1. Eligibility:** (10 + 2) from a recognized Authority ie Board or University.
- 13.7.2. Duration:** This is a one semester course with a duration of approximately 4.5 months i.e., 36 days over the weekend [Saturdays and Sundays].
- 13.7.3. Contact hours:** 10 hours per week. The Total Number of Hours = 180.
- 13.7.4. Credits:** Total Number of Credits = 180 hours 12 credits; (15 hours = 1 Credit).
- 13.7.5. Number of Modules in the course:** 4.
- 13.7.6. Number of Students:** Maximum number of students = 30. The minimum number of students required to break even = 25
- 13.7.7. Fees:** Rs 15,000.00 (inclusive of GST)
- 13.7.8. Location:** Course to be conducted at St. Xavier's College, Mumbai in collaboration with L.S. Raheja School of Architecture, Mumbai.

13.8. CERTIFICATE COURSE IN BASIC PYTHON (Introduction to Python Programming)

- 13.8.1. Learning Objectives:** To introduce students to various Python concepts.
- 13.8.2. Expected Learning Outcomes of this course:**
 - 13.8.2.1.** Students understand the concepts of programming before actually starting to write new programs.
 - 13.8.2.2.** Students comprehend what happens in the background when the programs are executed.
 - 13.8.2.3.** Students develop logic for problem solving.
 - 13.8.2.4.** Students get familiar with the basic constructs of programming such as data, operations, conditions, loops, functions etc.
 - 13.8.2.5.** Students apply the problem solving skills using syntactically simple language i.e., Python (version: 3.X or higher)
- 13.8.3. Duration:** 10 weeks. 2 lectures per week of Theory and 2 Practical sessions
- 13.8.4. Evaluation:** Practical Examination: 80 marks, Viva: 10 marks, Journal: 10 marks.

13. COLLEGE SHORT-TERM COURSES

13.9. POST GRADUATE DIPLOMA IN COUNSELLING PSYCHOLOGY (XICP)

- 13.9.1. Course Objective:** This course, offered by the Xavier Institute of Counselling Psychology (XICP) aims to address the dearth of mental health professionals and to equip psychologists with the necessary knowledge and skills to enhance therapeutic counselling. Students, completing the course emerge as well-trained counsellors who can effectively tackle increasing societal stress related problems.
- 13.9.2. Course Conceived and Designed by:** Fr. Berchmans D'souza S.J., in the year 1992, it has been modified by Ms. Sujata Abraham and Ms. Linda Dhakul.
- 13.9.3. Director:** Dr. (Fr.) Keith D'Souza S.J.
- 13.9.4. Coordinator:** Dr. Noellene Fialho. Phone: +91 9324084592, Email: xicp92@gmail.com
- 13.9.5. Modules:** 7 Counselling Psychology Papers (i.e., 21 credits, 15 hrs. per credit):
- 13.9.5.1.** CPP 01 Micro-Counselling Skills
 - 13.9.5.2.** CPP 02 Principles and Techniques of Counselling Process

 - 13.9.5.5.** CPP 05 Personality Psychology and Contemporary Psychotherapies
 - 13.9.5.6.** CPP 06 Career Psychology
 - 13.9.5.7.** CPP 07 Career Practicum
- 13.9.6. Duration:** Ten months from July of the current academic year to April of the subsequent academic year (with breaks for Diwali and Christmas).
- 13.9.7. Lectures:** Mondays, Wednesdays and Fridays (4:00 pm to 7:00 pm).
- 13.9.8. Practicals:** There are various practical aspects to the training the students receive outlined as follows:
- 13.9.8.1.** Students have to go through personal counselling themselves during the course.
 - 13.9.8.2.** Students undergo a supervised internship including 40hrs of counselling in a school, college, NGO or any other mental health set up.
 - 13.9.8.3.** Students volunteer for approximately 10 hours at an Old Age or Geriatric Care Home.
 - 13.9.8.4.** A supervised practicum in career counselling is held in April. Career / Psychometric tests are conducted from 8.00 a.m. to 12.30 p.m. on two days and results are given on the 3rd day. Students have to be at the college from 7:45 a.m. to 3:00 p.m. on both these days to administer the tests and from 8:00 a.m. to 9:00 a.m. on the 3rd day for a report-giving session with the parents and clients.
- 13.9.9. Eligibility:** P.G. Degree in Psychology, Social Work or Human Development.
- 13.9.10. Fees:** Rs. 65,000/- including GST.
- 13.9.11. Number of Seats:** 25 students.

13.12. ONLINE DIPLOMA IN INTER-RELIGIOUS TRADITIONS

13. COLLEGE SHORT-TERM COURSES

13.12.1. Rationale for the Course: Religion has been a source of meaning and purpose for the vast majority of humankind since ancient times. While religion promises to be a rich resource for civic peace and harmony, it has not always been so. While the need for understanding, collaboration and fecundity between these traditions has always been important, this is felt even more in our age of instant global communication, when conflicts can exacerbate rapidly. Besides the need for peace and equity between diverse religious communities, there is also a more obvious need for adherents of different faiths to learn more about their own faith traditions. There is an urgent need to restore the perceptual image and the more pressing ground reality of religion as a resource for personal and collective wisdom, freedom and empathy. It is with this intent that the course in “Inter-Religious Traditions” has been curated. The purpose is to recognize that various traditions have been influenced by a variety of social forces, as well as by other religious and cultural traditions.

13.13. ONLINE DIPLOMA IN “COMPARATIVE AND APPLIED ETHICS”

13.13.1. Rationale for the Course: Ethics is a fundamentally important aspect of personal and social life. Human beings are endowed with the ability to make practical judgements and decisions concerning realities which transcend the natural or factual order of existence. Such decisions are based on various factors such as inclination, education, insight, convention, influence, conviction and argumentation. The academic field of ethics has traditionally been hosted by the larger discipline of Philosophy, especially in higher educational institutions. However, ethics—especially applied ethics—has gained prominence in various professional fields such as health care, business, law, scientific

16. GENERAL RULES & QUALITY MECHANISMS

16.1. INTRODUCTION: For St. Xavier's College, like any other Jesuit Institution, discipline goes beyond the mere adherence to rules and regulations. Discipline is looked upon as a means to inculcate into one's being the spirit of integrity and academic honesty, respect for the dignity and rights of individuals and deference for public and personal property. The College Discipline Committee (CDC) along with every Staff member of the College is expected to contribute to the cultivation of such a discipline-spirit within the campus. Thus, staff members, on noticing disciplinary infringements, are authorized to intervene and take appropriate action in consultation with the CDC and ultimately the Principal. To ensure such a discipline environment the College has put in place Rules & Regulations

16.2. GOVERNMENT REGULATIONS ON RAGGING AND SUBSTANCE ABUSE

16.2.1. Ragging, of whatever kind, is strictly forbidden and will result in the dismissal of the student who rags, even if the act is committed outside the college campus. As per Supreme Court order dated May 2007, the College authorities may also file an F.I.R. with the police, if a case of ragging is reported / detected.

16.2.2. The possession and / or consumption of drugs, cigarettes or alcohol on campus will lead to immediate suspension or dismissal of that student - at the discretion of the Principal. Physical violence also attracts the same penalty. In both cases the College may file an F.I.R. with the police.

16.3. COLLEGE IDENTITY CARD (IDC)

16.3.1. Every student of this College is required to display the College issued IDC at the point of entry and whenever in the college campus.

16.3.2. The Principal or any of the Vice-Principals will levy a fine of Rs. 100 (which will go towards the Students' Beneficiary Fund - SBF) on any student who is found without the IDC being aptly displayed, when on the campus.

16.3.3. The use of the IDC of another student and the lending of an IDC to another is unacceptable and will attract suspension from College.

16.3.4. If the College issued IDC is lost, the student is expected to register the loss with the Mumbai Police. Only against the Police Certificate will the student be issued a temporary IDC (for 15 days). After the lapse of 15 days, a proper duplicate IDC will be issued (provided that there are more than 2 months of the concerned academic year still remaining). The student would have to pay to get the temporary IDC (Rs. 100) as well as the duplicate IDC (Rs. 500) – this money will go towards the SBF.

16. GENERAL RULES & QUALITY MECHANISMS

16.4. USE OF FACILITIES

16.4.1. Decorum in the Academic Environs

16.4.1.1. Students should not disturb ongoing lectures if they arrive early for their lecture or while walking in the corridors when lectures are on, or while they await the lecturer in the classroom.

16.4.1.2. Maintenance of classroom cleanliness is the responsibility of students who occupy those spaces. They are expected to inform the College Administrative Office if the classroom was untidy when they entered it.

16.4.1.3. Switching off the classroom lights and fans when not in use is a good green practice that all classroom users should follow.

16.4.2. In the College **Laboratories** students are expected to closely follow the instructions of the Staff-in-Charge. Strict action will be taken against those who flout the Laboratory Rules.

16.4.3. The **Class Notice-Boards** must be visited by every student on every working day to check for notices and updates. The onus of updating one's self vis-à-vis the notices rests on the students.

16.4.4. In the **Canteen**, students are expected to return the used plates and cutlery into the basket kept for that purpose. Similarly, used paper cups and plates and empty packets and bottles should be dumped into the (Red coloured) bins kept for that purpose. Keeping the Canteen clean and tidy (and so hygienic) is also the responsibility of the students. Wasting of food should be absolutely avoided.

16.4.5. **Spaces for the Consumption of Eatables and Beverages** are limited to the Canteen, the 'Woods' and the Students' Common Rooms. This is needed to ensure that ants, rats and other pests are not attracted into the academic and administrative spaces of the campus. This would not only render the campus safe and healthy but also clean and tidy.

16.4.6. The College **Gym** is available to all students during the time announced by the Sports Director. Those using the gym facilities are urged to use them properly. Eatables are prohibited in the gym. Students are encouraged to participate in the various sports tournaments that college organizes.

16.4.7. The College **Library** is a place of study and research. Refer to Section 16.13, page 132 for the Library Rules.

16.4.8. **Students' Common Rooms** must be kept tidy so as to be pleasant to be in. The **Students' Lockers** have to be hired through the Treasurer's Office and then used appropriately and handled with care. The Common Rooms are kept closed on Sundays and holidays.

16. GENERAL RULES & QUALITY MECHANISMS

16.4.9. Toilets are expected to be used in a hygienic manner. Users are expected to shut the taps after use as well as if they find them left open or dripping. It would save an important natural resource if such leakages are reported to the College Infrastructure Committee or Administrative Office.

16.5. USE OF UNFAIR MEANS AT EXAMS: If a student is detected using unfair means or is found in possession of a mobile / electronic gadget or is found within reach of material pertaining to the test / exam, then he / she will have to face the Unfair Means Committee constituted by the College. If the Committee finds the individual guilty, he / she will be given zero marks for that specific course or for all the exams of the concerned semester. Even those found abetting such behaviour will be given a similar penalty. Also refer 16.6.4. (page 128).

16.6. MOBILE PHONE AND OTHER ELECTRONIC GADGETS

16.6.1. The use of mobile phones and other electronic gadgets for any purpose during lectures and practicals is not allowed, unless the lecturer has permitted the use of such gadgets for the lecture / discussion.

16.6.2. It is advisable that during lectures, such gadgets are kept in one's bag / pocket and not on / in the desk - this would minimize the possibility of losing these gadgets. If a student is found using these gadgets during lectures his / her IDC is confiscated and given to the Principal / Vice-Principal for further action (including a fine of Rs.100 / infringement).

16.6.3. If a student reports the loss of such gadgets in the campus, that student would be advised to file a case of theft with the Police. However, if a lost gadget is found and given to the Principal, then the student would have to pay a fine (of Rs. 100) to get repossession of that item.

16.6.4. Students cannot wear smartwatches during any examination. If a student is found with any electronic gadget (except a non-programmable calculator) during an examination, he / she will be immediately reported. However, he / she will be given a new answer booklet and permitted to continue with the said exam. Subsequently, he / she will be required to appear before the Unfair Means Committee of the College.

16.7 COLLEGE / DEPARTMENT FESTS / PROGRAMMES have to be organized and executed under the supervision of either the Staff Committee appointed by the Principal or a faculty from the concerned department. The Principal must be kept informed about the content of these activities.

16.8 WOMEN STUDENTS should not remain on the College premises after 9.00 p.m. unless they are attending evening courses in the Commerce Section or in the other Institutes on campus or have explicit permission of the Principal to do so.

16. GENERAL RULES & QUALITY MECHANISMS

- 16.9** The **RIGHT TO DISSENT** and the **RIGHT TO RESOLVE CONFLICT** through discussion and reason are acceptable means of protest. All protests should be routed through the Students' Council and should be governed by the Constitution of that Council. It is the Principal who ultimately decides if a protest flouts the College discipline.
- 16.10 DRESS CODE:** Students are expected to wear clothes that contribute to the academic atmosphere necessary on an Indian College Campus. Accordingly, sleeveless or short tops, as well as short dresses, shorts & ripped jeans are considered inappropriate.
- 16.11 CLASS PICNICS** or outings are not permitted by the College at all. Parents are therefore warned that the College authorities do not assume any responsibility for picnics or outings organized by students on their own or by teachers in their personal capacity.
- 16.12 UNDERTAKINGS:** At the time of admission, every student signs a declaration, on his / her Admission Form, that he /she will abide by all the Rules and Regulations of the College and will accept the decision of the Principal, in all matters, as final. He / She will also give an undertaking to accept the College Rules under Autonomy.

16.13. LIBRARY RULES

- 16.13.1.** The College Library is open from 9.00 a.m. to 8.00 p.m. (Monday through Friday) and from 9.00 a.m. to 5.00 p.m. (Saturday) during the term. Vacation timings are different.
- 16.13.2.** While making use of the Library, students are required to wear their identity-card on their person at all times.
- 16.13.3.** All library services are provided only against valid Library Cards.
- 16.13.4.** Students are required to report loss of a book immediately to the Librarian in writing.
- 16.13.5.** No books or periodicals can be removed from the Library unless the loan has been registered at the Loan Counter.
- 16.13.6.** Readers must, on receiving a book, examine it, and report to the Library Assistant any damage found therein. If they fail to do so, they will be held responsible for any damage that may be detected later by the Library authorities.

16. GENERAL RULES & QUALITY MECHANISMS

- 16.13.7.** Books lost, damaged or defaced, must be paid for by the reader on whose name they were issued. The value of the books will be determined by the Librarian.
- 16.13.8.** All loans must be returned by the due date (or time). Overdue charges will be imposed on all books not returned in time. Students who repeatedly fail to return books on time may be denied the use of the Library's Lending Facility.
- 16.13.9.** All books must be returned on or before the last date of the academic year or the last date of the examination of the student, whichever is later.
- 16.13.10.** Students, who fail to return books borrowed from the Library at least one week prior to the declaration of results, will be declared as 'Library Defaulters' and their results will be withheld until they get clearance from the Library.
- 16.13.11.** The Librarian reserves the right to recall any book or periodical at any time.
- 16.13.12.** To ensure that the Library is kept tidy all the time, furniture must not be rearranged and must be used only for its proper purpose.
- 16.13.13.** Eating and drinking of beverages is forbidden in the Library.
- 16.13.14.** For library access as visitors, please contact the College Librarian.
- 16.13.15.** Silence should be observed in the Library at all times.
- 16.13.16.** Disregard of Library Rules, indiscipline and misbehaviour will render students liable to be refused access to the Library altogether.

16.14. QUALITY MECHANISMS AND BEST PRACTICES

- 16.14.1.** St Xavier's College, over the years and especially under autonomy, has developed and adopted certain quality mechanisms and best practices to enhance teaching-learning processes and bench-mark them to global academic standards. Following are highlights of the Best Practices of the College:
- 16.14.1.1.** An annual syllabi review as well as the Question Papers (CIAs and ESE) is undertaken by the Department Faculty and its External Experts from the Board of Studies.
- 16.14.1.2.** The use of ICT in the teaching-learning process with the use of LCD facilities in all classrooms is encouraged.
- 16.14.1.3.** To make the lectures participative, the use of the Constructionist Ideology of Education and not the Banking Philosophy of Education is followed.

16. GENERAL RULES & QUALITY MECHANISMS

- 16.14.1.4.** Special efforts are undertaken at Inclusive Education through the XRCVC, disabled-friendly campus, sensitization of faculty to the needs of slow learners and scholarships for the disadvantaged through the Student Beneficiary Fund.
- 16.14.1.5.** Study packs of essential readings, drawn from different sources are created, to cover the syllabus along with guided and critical study of these and further reference work.
- 16.14.1.6.** A 3-credit Cross Faculty Course is made obligatory for all students so as to encourage interdisciplinary learning.
- 16.14.1.7.** The use of Bloom's Taxonomy to evaluate Learning Objectives for the Teaching – Learning Process and for Question Paper Setting is practiced.
- 16.14.1.8.** To ensure objective criteria for assessment, pre-announced Presentation / Assignment Evaluation Grids are used.
- 16.14.1.9.** To ensure fairness in assessment Barcoding / Masking of Answer Papers before the assessment process begins is followed. Moderation of assessed papers through External Examiners or Double-Blind Evaluation is also practiced.
- 16.14.1.10.** To offer feedback to students on their performance their assessed answer papers are displayed to them. Students are also allowed to have a photocopy of the assessed answer paper and / or challenge the evaluation of the assessed paper through the proper procedure.
- 16.14.1.11.** To get regular student feedback about faculty on the teaching-learning process the Teacher Assessment Questionnaire (TAQ) is administered.
- 16.14.1.12.** To enable new faculty to settle in-house orientation programmes for them are organized and they are also offered Faculty-Mentorship as well as sit-ins during their lectures by the HoD.

16.15. ENQUIRY AND PROJECT-BASED LEARNING PROCESSES

- 16.15.1.** The Honours Programme (HP) is conducted for the academically better students. The HP consists of 7 extra credits, earned over the 3 years, including an introduction to research. Relevant courses are also conducted under the Learning for Life Programme.
- 16.15.2.** Field Trips, industrial visits and guest lectures are organized to make academics more experiential and inquiry-based. Students are encouraged to take up Summer Internships / Projects so as to experience industry and corporate entities in the real world.

16. GENERAL RULES & QUALITY MECHANISMS

- 16.15.3.** Annual Department Seminars (usually at the College Khandala Villa) are organized to help students build up their confidence and skills at making academic presentations.
- 16.15.4.** Annual thematic Department Journals are published containing students' articles. This helps in exposing students to writing research papers and even in handling editorial tasks.
- 16.15.5.** Regular Faculty Seminars and Workshops are organized to upgrade the pedagogical skills of the Faculty and thus help them to evolve better methods and processes of teaching and learning.
- 16.15.6.** To support research among Faculty, the College offers them help in applying for State, Central Government, UGC and University funding for Minor and Major Research Projects. Faculty members are also encouraged to participate in Conferences and to serve as Resource Persons in other institutions.
- 16.15.7.** Infrastructural support in the form of research facilities like the Heras Institute, Blatter Herbarium, NSRL and Caius are made available to faculty members.
- 16.15.8.** The practice of following Laboratory-Safety Guidelines as well as Biosafety Guidelines for Microbiological work in the College is obligatory. The latter Guidelines have been compiled by the Dept. of Microbiology and passed through the Bioscience Faculty involved in research and the members of the Institutional Biosafety Committee (IBSC) of the college.
- 16.15.9.** The College publishes 'Xplore', the annual peer-reviewed Research Journal by the Faculty in order to promote the research culture among faculty members.

16.16. SOFT SKILL DEVELOPMENT AND COLLATERAL PROGRAMMES

- 16.16.1.** The mandatory Social Involvement Programme exposes students to social realities hereby provoke in them a consciousness to serve society.
- 16.16.2.** Language and Soft-Skills are developed through the Language Lab, the special communication skills courses, presentations as part of CIA and through participation in extracurricular activities.
- 16.16.3.** The College has a Counselling Centre for Aptitude Testing, Career Guidance and for Personal Counselling of students and parents.
- 16.16.4.** Students are mentored by Faculty, in the groups assigned to each of the faculty members.
- 16.16.5.** The Placement Cell of the College trains students in the soft skills needed for applications and interviews and to facilitate interaction with the corporate world for internships and final placements.

16. GENERAL RULES & QUALITY MECHANISMS

16.16.6. International programmes are offered to expand the horizons of the Faculty and Students. By admitting foreign students to courses on the Campus cultural diversity is enhanced.

16.16.7. Parent interactions are encouraged on a routine basis (through the internet or personally) or at the annual Parent-Teacher Meeting.

16.17. ANNUAL THEME:

The theme for 2021-22 is '**Education for Integral Transformation**'. Through this theme, St Xavier's College, Mumbai would be in sync with the worldwide Jesuit family of institutions. Jesuits from the 16th century onwards were famous for the '*ratio studiorum*' or what we would call "syllabus of studies" today. This syllabus was oriented towards the integral transformation of students under their care [*'cura personalis'* = care for the whole person, entailing the exposure to different skill-sets, and personal accompaniment]. It is our aspiration that each student after he/she finishes a Jesuit programme of studies, would be transformed personally to make a difference in society.

This year's theme along with the college vision and values, helps in identifying three primary 'programme outcomes':

1. **Professional Transformation:** so that our students become more innovative contributors in their professional lives,
2. **Personal Transformation:** so that our students become more morally, emotionally and spiritually integrated persons, and,
3. **Social Transformation:** so that our students become more empathetic and inclusive in their attitudes and life options.
